Approximate shipping wt.	319 lbs. (143.5 kg)

BEFORE INSTALLING GRILL TO CART: Remove drip tray, grill grates, flavor grids, and warming racks from the grill.

To remove side shelves:

The side shelves on the cart can be removed if needed. This **must** be done before installing the grill on the cart. With the shelf in the up position, remove the screws in the shelf support bracket. This will allow you to remove both the brackets and the shelf.
