
WHIRLPOOL® AIR PURIFIER WARRANTY

ONE YEAR LIMITED WARRANTY

For one year from the date of purchase, if the air purifier fails when operated and maintained according to instructions attached to or furnished with the product, Whirlpool Corporation will repair or, at our option, replace your air purifier. Your replacement unit is covered by our one year limited warranty. This warranty does not cover the replacement HEPA (High Efficiency Particulate Air) filter or pre-filter. Use of a non-Whirlpool Corporation specified filter will invalidate this warranty. Keep this book and your sales receipt together for future reference. You must provide proof of purchase or installation date for in-warranty service.

SECOND THROUGH FIFTH YEAR LIMITED WARRANTY ON AIR PURIFIER MOTOR

For five years from the date of purchase, if the air purifier motor fails when operated and maintained according to instructions attached to or furnished with the product, Whirlpool Corporation will repair or, at our option, replace your air purifier.

Whirlpool Corporation will not pay for:

1. Service calls to instruct you on how to use your air purifier, to replace house fuses or correct house wiring or reset circuit breakers, or to replace owner accessible air filters.
 2. Replacement when your air purifier is used in other than normal, single-family household use.
 3. Damage resulting from accident, alteration, misuse, abuse, fire, floods, acts of God, improper installation, installation not in accordance with local electrical codes, or use of products not approved by Whirlpool Corporation.
 4. Replacement parts, repair labor costs and/or replacement of a "failed" air purifier for units operated outside the United States.
 5. Repairs to parts or systems resulting from unauthorized modifications made to the appliance.
 6. Shipping or freight charges to return products for warranty service to Whirlpool Corporation.
 7. Damage resulting from improper packing of products returned for warranty service.
