Oven	
F - Overall Depth	23-5/8"
	w/o trim 50-1/4"
G - Overall Height	with trim 51"
H - Overall Width	26-5/8"

Note: Cabinets installed adjacent to wall ovens must have an adhesion spec of at least a 194°F temperature rating. For 27" built-in single ovens, if marks, blemishes or the cutout opening is visible above the installed oven, it may be necessary to add wood shims under the runners and front trim until the marks or openings are covered.

Electric wall ovens are not approved for installation with a plug and receptacle. They must be hard wired in accordance with installation instructions.

Installation Information: Before installing, consult installation instructions packed with product for current dimensional data.

For answers to your Monogram®, GE Profile™ or GE® appliance questions, visit our website at ge.com or call GE Answer Center® service, 800.626.2000.

All GE ranges are equipped with an Anti-Tip device. The installation of this device is an important, required step in the installation of the range.
