Profile™

WPGT9350C – GE Profile™ King-size 4.0* Cu. Ft. Capacity Washer

Features and Benefits

- Washer communicates with the dryer (DPGT750EC/GC)
- Stain Inspector™ system treats more than 65 common stains, from grass marks to grease.
- King-size, 4.0 cu. ft. capacity stainless steel tub makes room for more items, which means less time doing laundry.
- HydroWash™ system delivers excellent wash performance and outstanding clothes care, without a traditional agitator.
- LCD electronic controls with time display and cycle countdown with LCD indicators.
- Adaptive fill which allows water levels to match load size, so there's very little wasted water.
- Multiple wash/spin speed combinations with 6 custom cycles and Quick Clean.
- Model WPGT9350CPL – Dark Platinum
- Model WPGT9350CWW – White on white

*Washes equivalent amount of clothes as 4.0 cu. ft. agitator machine, per IEC ratios.
