TWISTER TORNADO I

Sometimes you just need to cover your bases, so we designed these inexpensive power packs as simple, no-hassle solutions that blend in anywhere. Each hides powerful ventilation beneath the kitchen hood canopy of your choice, with three blower speeds and dual halogen lights. Decorative stainless steel filters add style. Just choose the ventilation level that's right for you and an optional, easy-to-install liner to complement your kitchen.

Cabinet Bottom Cut-Out Size (W x D): AK8000AS and AK8100AS: 26 7/8" x 10 5/8".
