SMH7185STG

1.8 cu.ft. Over-the-Range Microwave

Sensor Cooking:

Adjusts the cooking time based on the vapors emitted from the food during cooking and reheating.

400 CFM Ventilation:

Eliminates cooktop food odors and steam with Samsung's powerful ventilation system.

Electronic Touch Control:

Lets you easily program the cooking time and power level you desire, at the gentle press of a button.

Digital Cooking Timer:

Provides precise readouts of elapsed cooking times for all dishes, in increments up to 99 minutes and 99 seconds.

Three-Stage Programmable Cooking:

Vital time-saving function, allows you to easily program initial defrost plus a corresponding two-step recipe for that food simultaneously.

Handy Helper:

A useful menu option for quick preparation of common recipes: melt chocolate, soften cream cheese, and melt butter with ease.

Kids Meal:

Chicken nuggets, hot dogs, French fries, and frozen sandwiches require only a few minutes to prepare.

Snack Bar:

Allows quick and easy cooking of favorite snacks. Choose from nachos, chicken wings, potato skins, or cheese sticks.

More/Less Time Adjust:

Adjusts the cooking time for any of the instant cook pad selections. While the oven is cooking, more/less automatically adds or subtracts time from the instant cook selection.

Auto Defrost:

Functions efficiently based upon the weight of the food being cooked. Simply select the weight, and the oven does the rest.
