

Under-Counter Refrigerator Drawer

EI24RD65H S

Storage Capacity

Offering the largest storage space available in drawer-style refrigeration, this unit contains two 24" wide drawers with ample room to accommodate a variety of items. Each drawer is tall enough to store a two-liter bottle and wide enough to hold items such as serving trays and pizza boxes.

Luxury-Glide™ Drawers

Fully extending racks glide out easily and smoothly, providing simple and convenient access to every bottle.

Electronic Controls

Electronic controls are integrated conveniently on the top of each drawer, providing customized temperature control for each drawer individually.

Luxury-Design™ Lighting

Our ramp-up designer LED lighting is as beautiful as it is functional.

Under-Counter Refrigerator Drawer Specifications

- Product Weight – 128 Lbs.
- Voltage Rating – 120V/60 Hz/15 Amps
- Electrical cable supplied.
- Always consult local and/or national electric codes.
- Can be used freestanding, or built-in under counter.
- Does not require additional airspace for top, sides or rear when used in built-in application. Increase unit dimensions by at least 1/4" for recommended rough opening.
- Front grille MUST remain unobstructed for proper ventilation.
- Must be positioned on flat, level surface, capable of supporting entire weight when fully loaded.

- Leveling legs supplied to adjust height and level unit.
- Do not position unit near any heat source to ensure optimum performance.
- Allow 18" minimum for handle clearance with drawers fully extended.

Note: For planning purposes only. Refer to Product Installation Guide on the web at electroluxappliances.com for detailed instructions.

Optional Accessories

- Storage Pans
- Adjustable Slide-and-Divide Divider (Upper Drawer)
