Features & Benefits

Feature	Benefit
Standard 24" width with two drawers	Can be installed into a standard 24"-wide cabinet opening
Touch Control Digital Technology	<ul style="list-style-type: none"> • Full-featured, easy-view command center - right at your fingertips • Easy to set and see the refrigerator temperature • Manages key model functions and provides user alerts
Patented frost-free technology	<ul style="list-style-type: none"> • Top drawer is dedicated to refrigeration, with exclusive organizational features. • Lower drawer is equipped with an ice maker and provides frozen food storage.
Daily ice rate of up to 6 lbs	Removable ice bucket stores up to 10 lbs of ice.
No drain required	<ul style="list-style-type: none"> • Easy and inexpensive to install • Only requires a 1/4" outside diameter water line for the ice maker
Multiple organizing features:	
- Adjustable "Slide and Divide"	- Located in refrigerator (top) drawer. Provides the ability to "divide" the drawer for item storage.
- Clear organizing bin in top drawer	- Holds wine, 2-liter bottles and other items. Slides back and forth, allowing easy access to items located beneath the "organizing bin."
Stainless steel refrigerator drawer interior	<ul style="list-style-type: none"> • Sleek designer appearance in the top refrigerator drawer • Corrosion resistant
Built-in	<ul style="list-style-type: none"> • Provides a custom look • No additional clearance around sides, top or rear for ventilation. Do not obstruct the front grille.
Black liner	Elegant visual appearance
Stainless steel	<ul style="list-style-type: none"> • Offers a full wrap stainless steel drawer front, a curved sculpted stainless handle, a stainless-like grille and a black cabinet • Optional bold commercial-style stainless steel handle available for purchase
Overlay model	<ul style="list-style-type: none"> • 3/4" full overlay drawer panel capability is standard • Provides a fully integrated appearance with surrounding décor • For a 1/4" drawer panel, one must order replacement drawer handles for EACH drawer (part # 26070-01-S).
Heavy-duty, full extension drawer slides	Allow easy accessibility to contents in the back of drawers
Vinyl-clad cabinet	<ul style="list-style-type: none"> • Black vinyl cabinet on all models provides a rich, textured look • More resistant to scratching, peeling or flaking
Recessed interior lights	Automatically illuminates when the door is opened
Leveling legs	More precise undercounter fit, durable, factory-installed
Sabbath or "Black Out" mode	Easily turn off all lights and control displays
Contemporary grille design	Integrates seamlessly with surrounding cabinets
