

Love Good Food

Love Warmth

Love One For A Lifetime

# Legacy

For classic looks with modern features, look no further than the Aga Legacy. Unique gleaming spiral handles set off the curvaceous doors to satisfy the design conscious. A versatile cooktop and flexible electric ovens indulge those with the highest culinary standards. With this bold appearance and contemporary features, it's easy to see why this Aga out looks and out cooks other pro-style ranges.

36" Electric Legacy in Black

36" Dual Fuel Legacy in  
Stainless Steel

## *Stainless Steel Redefined*

This Legacy redefines the stainless steel range. It fuses a commercial style finish with the elegant contoured Aga design to produce a range like no other. The high grade stainless exterior provides a durable, attractive and easy to maintain finish. And the interior is equipped with the Legacy amenities you have come to expect from Aga.

The stainless steel Legacy model is available in 36" and 44" sizes and both dual fuel and electric.

# Electric Legacy

## Control Knobs

Large, chrome accented knobs with childproof, push-to-turn safety feature.

## Broiling Oven

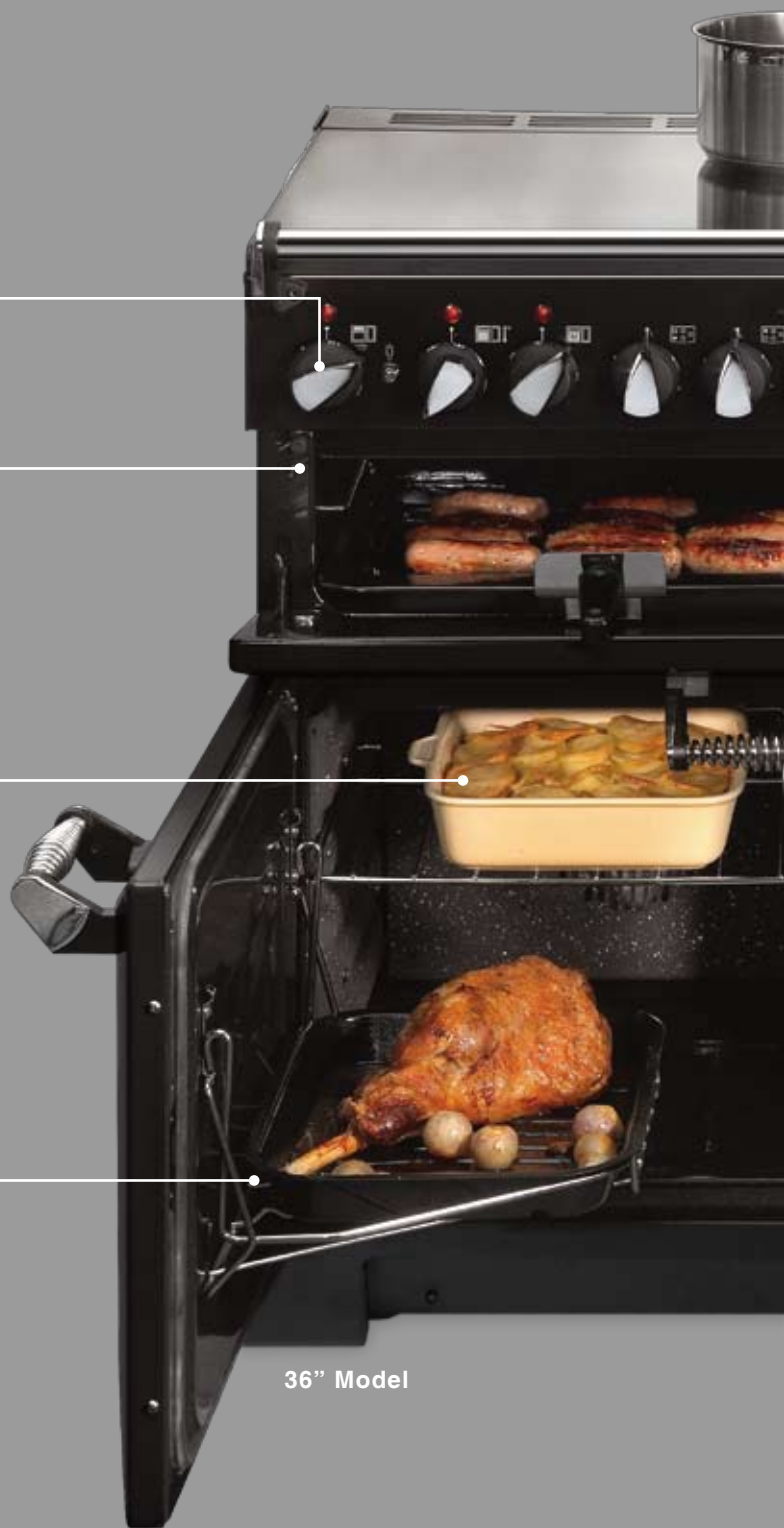

This oven may look unassuming, but it features a powerful 8-pass, 2300 watt broiler that's heated and ready to cook in just 5 minutes! The Full Broil mode provides complete coverage using the full eight passes. The Half Broil mode uses the four right-hand passes and is perfect when cooking for one.

## 7-Mode Multifunction™ Oven

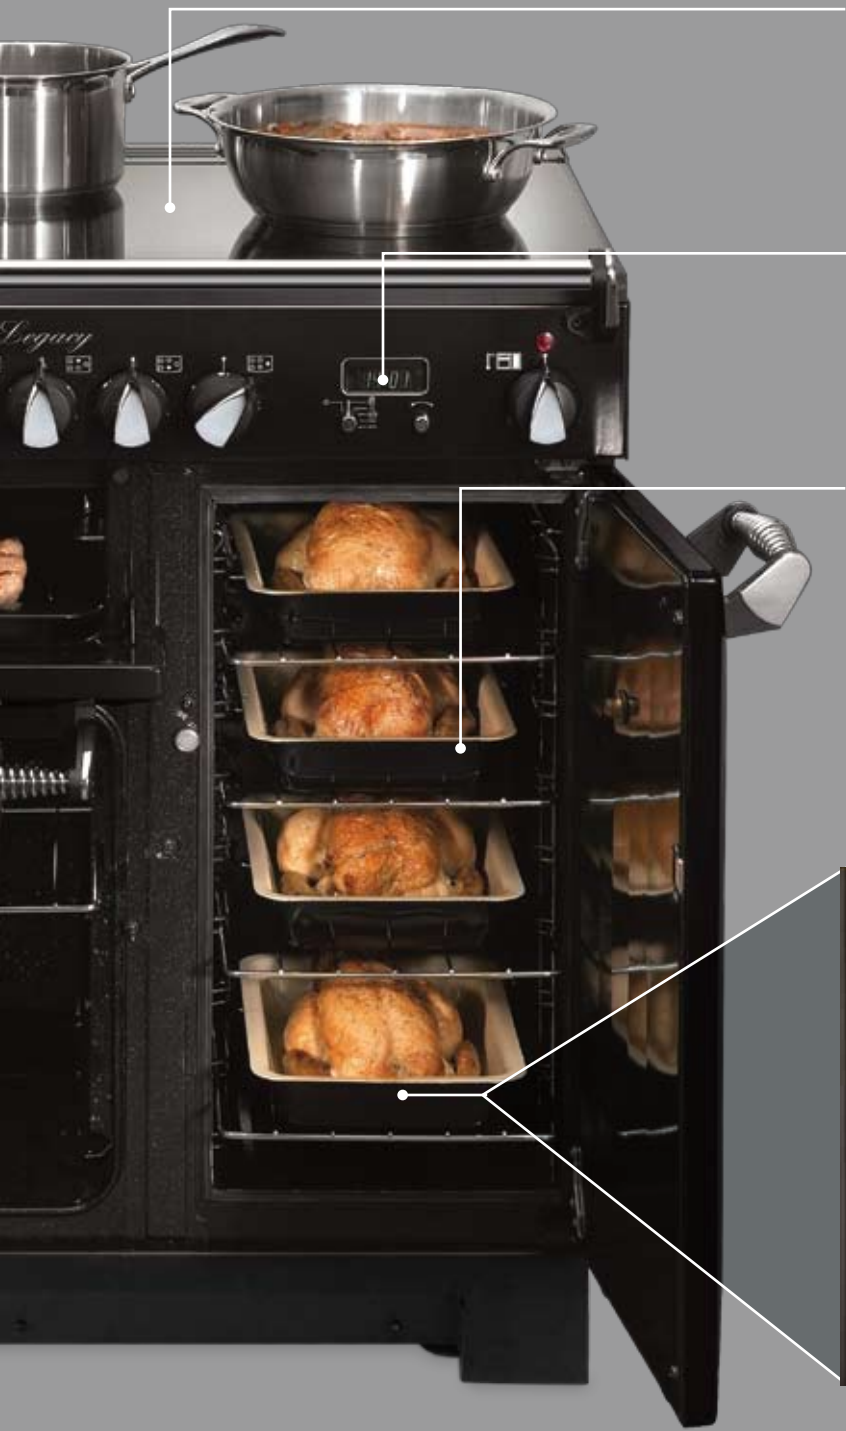

Offers the ultimate flexibility with 7 different cooking modes: Convection defrost - fan forced air without heat; Convection bake - rear convection element with fan forced air; Convection broil - top element with fan forced air; Fan assist bake - top and base element with fan forced air; Conventional bake - top and base element heat; Top brown - top element heat only; Base heat - bottom element heat only.

## HandyRack™

A signature Legacy feature. No more pulling out hot, heavy racks to check foods. The HandyRack is a removable shelf located in the door. Fitted in one of its two positions, this rack provides safety and convenience allowing you to place dishes where they are easiest to access.

36" Model

### Electric Cooktop

This sleek ceramic cooktop is equipped with rapid response ribbon elements that heat in seconds. Hot surface indicator lights alert you when the cooktop is in use or warm to the touch for extra safety, even after it has been turned off.

### Minute Minder

This integral clock has a timer with a delayed baking feature, allowing you to program when the oven turns on and off. Plus, the key lock prevents little hands from accidentally starting ovens.

### Vertical Convection Oven

This programmable oven uses true convection, a cooking method that continuously circulates hot air through the cavity, for faster more even cooking. With 1.8 cu ft of capacity in the 36" model and 2.4 cu ft in the 44", this oven is large enough to prepare a whole meal, but small enough to heat up quickly and efficiently. The 36" model features four heavy duty oven racks and a removable plate warmer while the 44" includes three oven racks and a roasting tin.

### Plate Warming Rack

44" Model with optional cathedral windows

No other pro-style range has this much to offer

**Control Knobs**

Large, chrome accented knobs with childproof, push-to-turn safety feature.

**7-Mode Multifunction™ Oven**

This incredibly versatile programmable oven provides so much flexibility. Turn the convection off, leave it on or go somewhere in between - you tailor the oven's performance to your needs by selecting from the convection bake, convection broil, fan assist bake, conventional bake, top brown or base heat modes.

**Glide-Out™ Broiler System**

The smooth action Glide-Out™ broiler system uses a sliding runner to move the broiler pan in and out of the oven safely and easily.

**36" Model with optional cathedral window**

**44" Model in All White**

## *Dual Fuel Legacy*

### **Gas Cooktop**

This versatile cooktop is equipped with sealed gas burners, featuring an integral wok burner. Available in both Natural Gas and Liquid Propane fuel types. Note: Grates are matte porcelain enamel finish on All White and Stainless Steel and gloss on all other color options.

### **Minute Minder**

This integral clock has a timer with a delayed baking feature, allowing you to program when the oven turns on and off. Plus, the key lock prevents little hands from accidentally starting ovens.

### **Convection Oven**

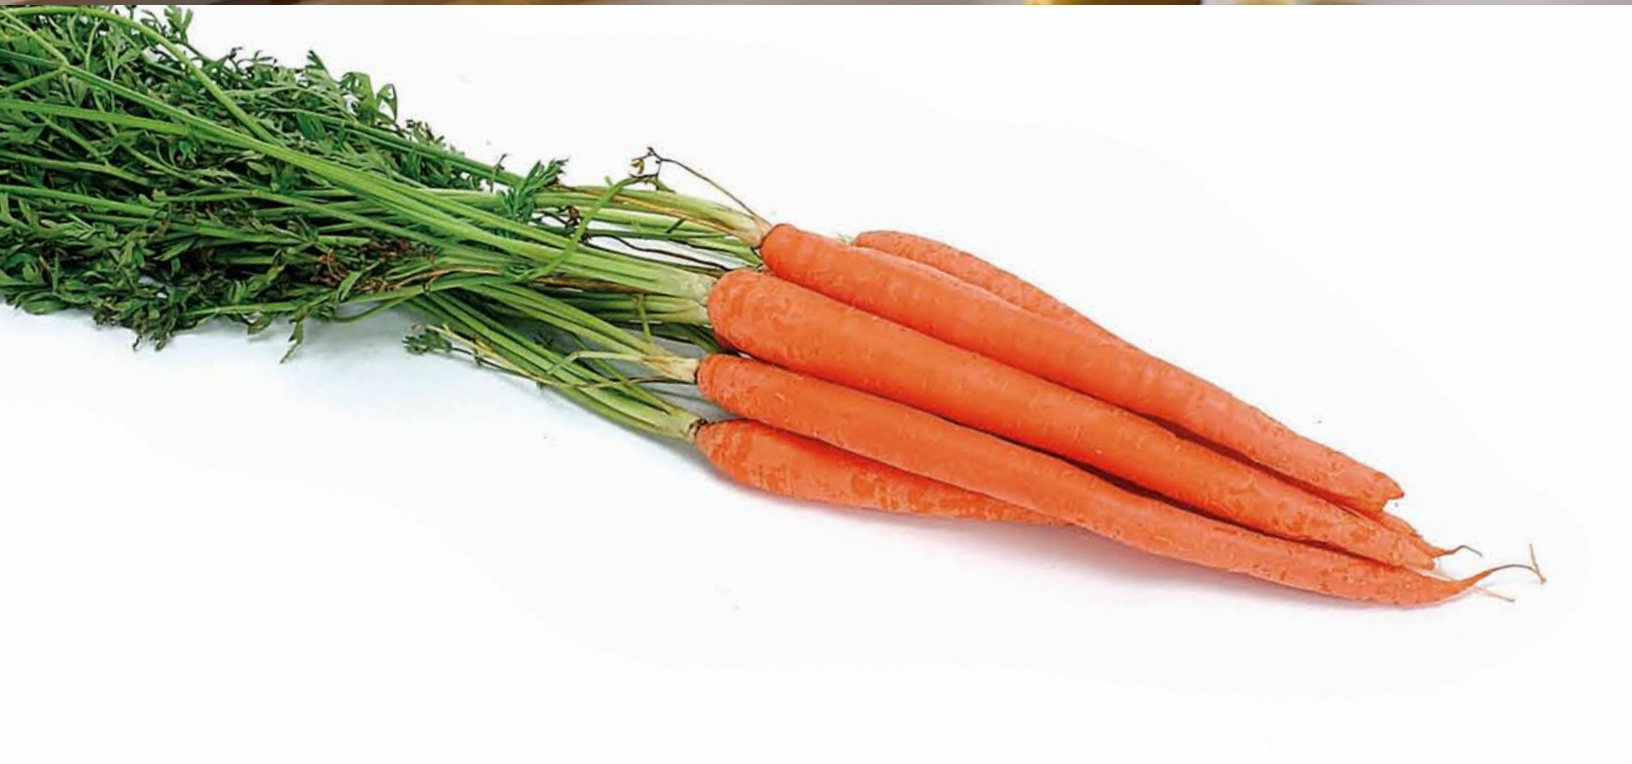

This programmable oven features an impressive 2.4 cu ft of cooking capacity in the 44" model and 1.9 cu ft in the 36". The 44" model is accompanied by three heavy duty oven racks and roasting tin while the 36" includes four racks and a removable plate warmer.

### **Storage Drawer**

The 44" model features a convenient storage drawer which is the perfect place to store baking trays, saucepans or kitchen towels so they are always close by.

The Legacy Suite - featuring the 44" Legacy in all white, and the Aga Dishwasher, 36" Refrigerator and 48" Vent Hood in white.

## *Simple Style*

For over eighty years Aga has hand crafted ranges of superior performance and classic design. Now, we proudly offer a collection of coordinating products so you can create the kitchen of your dreams.

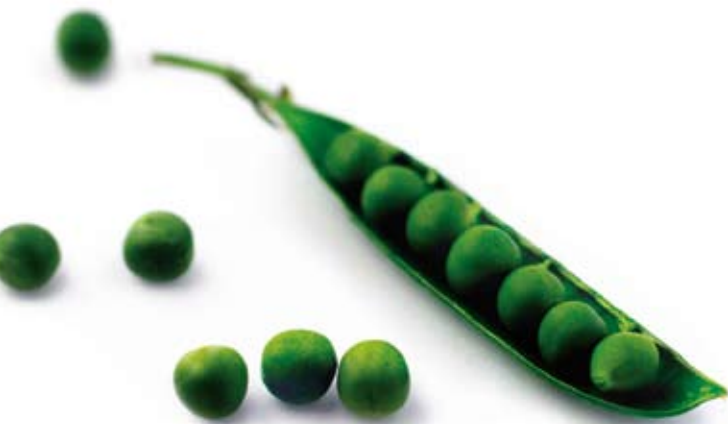

Style choices are usually limited with your dishwasher. Pick a standard color, or integrate it with a cabinet panel. Our new Dishwasher is the perfect blend of function and style with our trademark contour design. Engineered to fit beautifully into your Aga kitchen, our quiet and Energy Star® rated Dishwasher is available in every Legacy color.

This 36-inch wide, ENERGY STAR® rated Refrigerator fuses classic Aga design with state of the art features like electronic touch temperature controls, and thoughtful amenities like the internal water dispenser and smart storage solutions.

You can't have a range without a hood. Our new hood inspired by the classic Aga design, coordinates perfectly with any Aga range or cooker.

#### **Bottom Mount Refrigerator (AFHR-36)**

- 20 cu. ft: Fresh food capacity 14.4 cu. ft.; Freezer capacity 5.5 cu. ft.
- Factory-installed ice maker
