

30" RANGE

Introducing the latest addition to our cooking family – an all-gas, 30" range. This range boasts a fresh, clean look that reflects the latest "audio styled" design philosophies from Europe with robust, cast iron grates and other hard wearing features and finishes you demand in your kitchen. The result is refined control knobs on a simple uncluttered designer control panel.

Convection Cooking

Gas convection system uses a fan to circulate air throughout the oven cavity for even temperatures.
