

ARC COLLECTION

DUO ISLAND

Ideal for those who welcome the warmth of wood into their contemporary home, Duo is an island range hood that marries natural wood with the cool factor of stainless steel. Envision a steel structure topped with poplar wood in a charcoal or wenge finish to complement your cabinetry. Or you can perfectly match your kitchen's modern stainless surroundings with the low-profile steel-only option. Dual pairs of halogen lights work together to underscore the cantilevered design, while optional duct cover extensions can accommodate contemporary ceilings of up to 12 feet.
