

SWC530LBICSS

34.5" x 23.75" x 23.5" (H x W x D)

Dual zone under-counter wine cellar for built-in use with complete stainless steel cabinet and glass door

Highlights:

Chill white and sparkling wine while preserving red in two distinct temperature zones

Manage the temperature easily with two digital thermostats

Flexible design allows built-in or freestanding use in any 24" opening

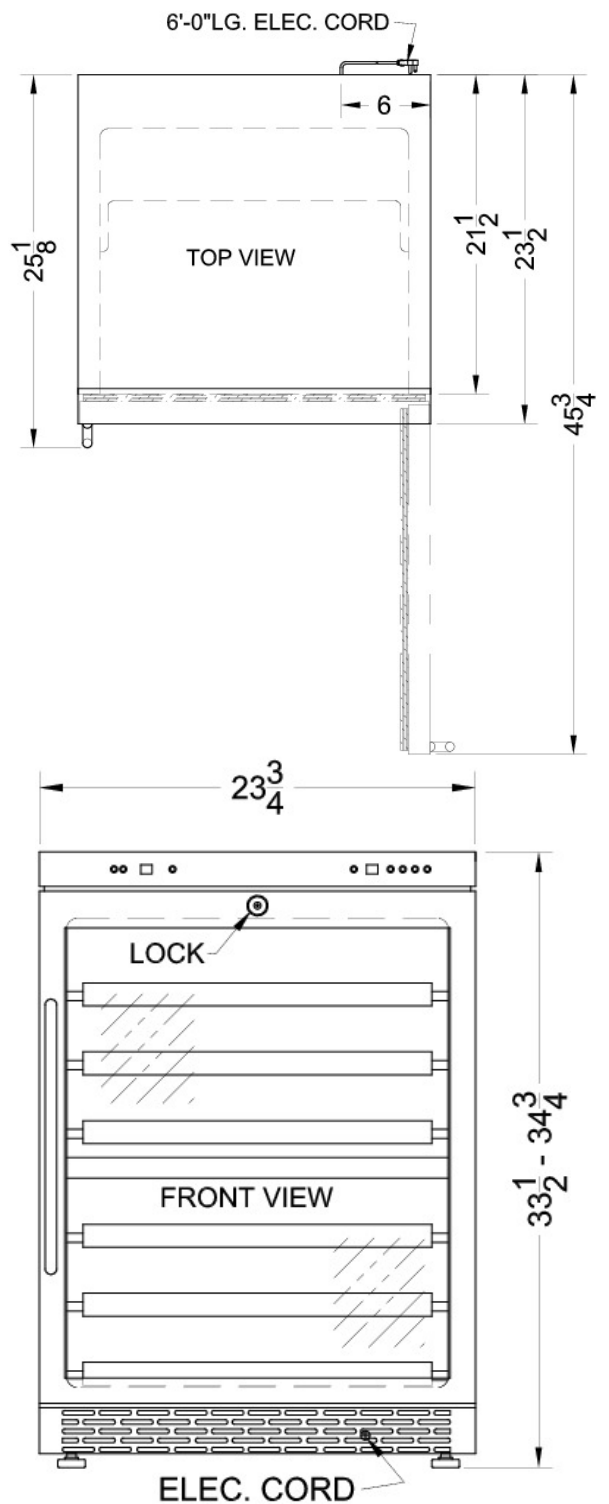

Store 46 bottles and display 36 on smooth gliding wooden shelves

Built-in capable	Make the best use of space by installing your appliance under the counter and flush with other cabinetry
Fully wrapped stainless steel cabinet	Complete stainless steel exterior enhances any room with modern luxury
Two digital thermostats	Set and adjust two temperature zones separately with easy-to-use digital controls and digital displays
Two temperature zones	Lower zone for reds has a temperature range of 10°C/50°F to 18°C/64°F; Upper zone stores whites and sparkling wine between 5°C/40°F to 10°C/50°F
Automatic defrost	Save time and worry by letting your appliance do its own defrosting
Six slide-out wooden shelves	Conveniently access your bottles with smooth slide movement. Wooden construction gives the interior a classic touch
Interior light	Illuminate your collection with a subtle blue hue
Stainless steel door frame and handle	Style and substance outline your unit with a professional look
Black interior liner	Simple to clean and sophisticated in style
Key lock	Keep your cooler secure with a front lock
