

# GE Monogram® 30" Built-In Single Wall Oven with Trivection® Technology

Model# ZET3038SHSS

- Sophisticated Styling - Sleek, modern design provides a striking look with clean lines and smooth, glass touch controls
- Award-winning Trivection Technology - Thermal, convection and microwave cooking processes work together to produce the ideal blend of taste and texture; Foods are prepared to delectable perfection - on average up to five times faster than a conventional oven
- Cooking Versatility - In addition to Trivection technology, these ovens offer several other cooking methods and modes: baking, broiling, roasting and true European convection, as well as 24-hour delay bake, warm mode and proof mode
- Full-Size Oven Capacity - The spacious oven interior makes room for foods ranging from large roasts to rich, multi-tiered cake pans and everything in between
- Halogen Lighting - Two halogen lights illuminate your culinary work in progress, putting it into bright, clear perspective
