- Hot Surface Indicator Light
- Auto Oven Light
- Proofing
- Sabbath Mode
- Kitchen Timer
- Delay Start
- Auto Shut-Off Option
- Child Safety Lock
- Pyrolytic Cleaning (2/3/4 hrs.)

## Cookware for Induction Ranges

The induction ranges can only use cookware that is made of metal, such as steel or cast iron. If a magnet sticks to the bottom of the pan, it will work with an induction range.

Samsung's Induction Range boils water in half the time of an electric cook top, is 90% energy efficient, and remains cooler to the touch than gas or electric cook tops. Our innovative SelecTouch™ slide control makes it as easy to use as it is powerful. Samsung is combining this extraordinary performance with incredible value by providing a full induction cook top, a 5.9 cu.ft. True Convection oven, and a warming drawer all for the cost of a standard induction cooktop.

## Design/Style:

- Electronic Glass Touch Controls with Digital LED (Blue and Orange Colors)
- Widescreen Oven Window
- Three Chrome Oven Racks with
  - Seven Rack Positions
- Hidden Bake Element
- Broiler Pan Cleaner (2.5oz), Broiler Pan and Cleaning Pad

## Color:

Stainless Steel  
(shown here)

## Samsung 5.9 cu. ft. Freestanding Induction Range

### Fast and Efficient

Water boils more than 50% faster while using less energy than a radiant cooktop.

### Safe

Heat is transmitted directly to the pan and nowhere else so your hands stay safe. The cooktop will switch off automatically within one minute if no cookware is placed on it.

### Easy

Control the temperature with one motion. Simply touch the control and glide your finger.

### Three-Fan True Convection Cooking:

Even cooking with three-fan true convection. Samsung's three-fan true cooking system helps ensure all your baked goods come out of the oven cooked to perfection.

### Easy Clean with SteamQuick™:

Steam cleaning gets your oven spotless in about 20 minutes at just 140°F with the push of a button, to save time, energy and money.

### Power Consumption:

11,500 W/40 Amperes

### Power Source:

240 V/60 Hz

### Induction Ceramic Cooktop:

- Right Front: 6", 2.0 KW-Boost
- Left Front: 11", 3.7 KW-Boost
- Right Rear: 7", 2.6 KW-Boost
- Left Rear: 6", 2.0 KW-Boost
