● Stainless Steel (ST)

○ White (SW)

● Black (SB)

LG received the highest numerical score for ranges, cooktops and ovens in the proprietary J.D. Power and Associates 2009 Kitchen Appliances StudiesSM. 2008 received award for satisfaction with cooktops/wall ovens. 2009 study based on 4,067 total responses measuring 12 brands and measures opinions of consumers during the previous 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in March-April 2009. Your experiences may vary. Visit jdpower.com.

COOKING

LRG3093ST/SB/SW

Powerful Free Standing Gas Range

Large Capacity

With one of the largest oven capacities available, at 5.4 cu. ft., LG's range provides more space for cooking large meals.

High Heat Cooking

This range has one of the most powerful burners available in a free standing range. LG's 17K BTU SuperBoil™ burner enables you to bring large amounts of water to a rapid boil resulting in faster cooking time.

Flat Broil Heater

The new flat broil heater provides more usable space and more even cooking.

Style and Design

Available in Smooth White, Smooth Black and Stainless Steel finish, LG's gas ranges are sleek, modern and high quality. The distinct door handle and brilliant blue interior bring forth a look of sophistication.
