Smooth Black

Titanium

ENERGYSTAR® qualified models use at least 15% less energy than required by current federal standards. LG's Energy Star refrigerators allow consumers to save money, energy and protect the environment.

PANORAMA™ FRENCH DOOR

External Ice & Water Dispenser

Convenience? Style? You've come to the right place. Not only can you enjoy the benefits of a Side by Side fresh food compartment with a Bottom Freezer, but LG has enhanced the French Door package by adding a filtered Ice and Water dispenser on the outside. The self-contained ice system produces 4.0 lbs. of ice a day in 3 sizes that can be dispensed either crushed or as crescent-shaped cubes. The ice storage bin is also removable for portability and easy cleaning.

Multi-Air Flow Cooling

Vents are located on every shelf for even air distribution and longer lasting food freshness.

BioShield™ Anti-Bacterial Seal

Unique feature prevents mold and mildew from building up on the door seal.

LFX25950

CAPACITY	
Refrigerator	17.6 cu.ft.
Freezer	7.1 cu.ft.
Total	24.7 cu.ft.
