

Refrigeration

Dependable performance. Innovative convenience.

Are you a side-by-side person? Or do you prefer a bottom-freezer refrigerator? Chances are, you already have a preference. And the good news is, Maytag offers a complete selection of stylish and dependable refrigerators with generous capacities and convenient features designed to keep food fresh and easily accessible.

WHICH STYLE IS RIGHT FOR YOUR KITCHEN?

Answer these questions to help determine which models and features you need to handle your everyday challenges.

1. Do you prefer a side-by-side model, but wish it offered wider freezer space?
2. Do your veggies or fruits often spoil because they get lost in the back of the crisper drawers?
3. Is it difficult to fit pitchers or other tall items in your fridge?
4. Are you tired of getting on your hands and knees to reach items buried in the back of your bottom freezer?
5. Would you like a refrigerator that looks built-in — without the built-in price?

Ice And Water Dispenser With PuriClean® II Retractable Water Filter Can Save You Over \$300*

Get great-tasting water and ice from your fridge. Our 750-gallon filter now lasts longer, removes more impurities and retains fluoride.

*Compared to a \$34.95 retail water filter replaced twice per year over 10 years.

Electronic Dual Cool™ System With Adaptive Defrost

Dependable cooling performance — automatically. Use the upfront touch-pad controls to set the desired temperatures for both the refrigerator and freezer. Dual sensors monitor and adjust temperatures for dependable performance. (select models)

Elevator™ Shelf

Make room without unloading the shelf. Rolls up and down smoothly — even when loaded with food — to accommodate tall items like pitchers of lemonade.
