* Samsung received the highest numerical score for refrigerators in the proprietary J.D. Power and Associates 2005-2007. Major Home Appliance Study and 2008-2009 Kitchen Appliance Study™. (2007-2008 received award for satisfaction with side-by-side/French door refrigerators) Study based on 11,701 total responses measuring 13 brands and measures opinions of consumers who purchased refrigerators from a retail store, their new-home builder during the previous 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in March-April 2009. Your experiences may vary. Visit jdpower.com.

RF4287HARS

28 cu. ft. Counter Height 4-Door Refrigerator with FlexZone Drawer

Counter Height Design:

The FlexZone Drawer matches the height of the counter top, creating a built-in look that fits seamlessly into the kitchen

FlexZone Drawer:

The mid-drawer provides flexible temperature control for your food storage needs with Meat/Fish, Cold Drinks, Deli/Snacks and Wine/Party Dishes options. The SmartDivider allows easy organization within the mid-drawer.

Twin Cooling Plus System®:

Delivers superior food preservation results usually only found in advanced commercial-grade cooling systems. Twin Cooling Plus System®, the next generation of Twin Cooling® technology, uses two evaporators with only one compressor to independently control temperature in the refrigerator and freezer compartments, maintaining optimal humidity levels and preventing odor transfers between compartments.

Surround Air Flow:

Surround Air Flow provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

External Digital Display and Control:

Controlling the refrigerator is easy with the external digital display. It shows the inside temperatures, when to change your filter and also controls the ice and water dispenser.

Water Filter:

Samsung's water dispenser provides filtered water without sacrificing your interior space. Ice cubes are conveniently located in the freezer.

Door Alarm:

Prevents food spoilage by alerting you if the freezer or refrigerator door has been accidentally left open.

Refrigerator: 16.3 cu. ft.

FlexZone Drawer offers four temperature settings to meet the needs of every family member.

Twin Cooling Plus System® uses two evaporators with only one compressor to independently control the temperature in the refrigerator and freezer.

Quick and easy access to filtered water and cubed/crushed ice at your fingertips with the external dispenser.

EZ-Open Handle™ lifts the handle to open the freezer and FlexZone Drawer with no force needed.
