

# Tiziano

## DECORATIVE CHIMNEY HOOD

The combination of stainless steel and colored glass gives Tiziano a chic, ultra-modern appearance. This uniquely styled, 36"-wide unit, with a hood assembly that angles down from the chimney, provides a dramatic yet minimalist decorative touch that also helps conceal the halogen lighting with 2 light intensities and dishwasher-safe anodized aluminum mesh filter. The powerful 600 CFM blower will handle the needs of modern kitchens but is quiet enough for entertaining. Designed for standard ducted installation, Tiziano can also be installed as a recirculating system, using the Recirculating Kit, available as an accessory.

## FEATURES

### • **Advanced Electronic Touch Controls**

State-of-the-art electronics deliver maximum user convenience and control. LCD function display with elegant blue illumination combined with low-profile, easy-to-clean touchpads is your interface with a multi-function control system, including...

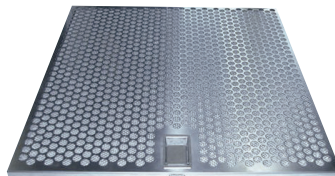

- On/Off control
- Programmable timer and buzzer
- Four blower speeds
- Clock
- **HeatGuard™** automatically adjusts blower speed if heat exceeds 158°F for safety and convenience
- Two light intensities
- Filter Saturation Monitor detects excessive levels within both grease and charcoal filters

### • **600 CFM 4-Speed Internal Blower**

### • **2 Halogen Lamps** with two light intensities (12V 20W bulbs included)

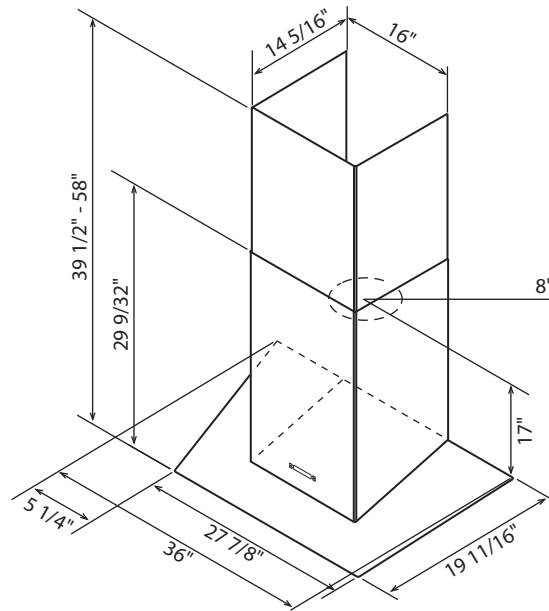

### • **Dishwasher-Safe Anodized Aluminum Mesh Filter**

### **Stainless Steel Mesh Filter**

Available as an optional upgrade  
(see back for accessory details)

- **Telescopic Chimney Extension** – For ceiling heights 8' 4" to 10' 4"
- **8" Round Duct Transition**
- **One-Way No Return Valve** eliminates outside air drafts.
