

Capacity: Daily ice production up to 25 lbs/25 lbs storage  
 Defrost Type: Manual Defrost  
 Colors: Black, Stainless

## Features & Benefits

Feature	Benefit
High ice production	Up to 25 lbs per day
No drain required	Easy and inexpensive to install Only requires a 1/4" outside diameter water line
Conserves on water	Uses under 3 gallons of water to produce 22 lbs of ice
Built-in or freestanding	Provides custom look No additional clearance around the sides, top or rear for ventilation. Do not obstruct the front grille.
Accepts a 3/4" custom door overlay or a 1/4" insert panel	For black and Overlay models to match surrounding cabinetry
Field-reversible door	For black model
Integrated door handle	For black model a sleek designer look that does not add depth to the cabinet when built-in
Vinyl-clad cabinet	Textured, rich look. More resistant to scratching, peeling and flaking.
Grille design	Contoured grille design
Stainless steel and black models available	Stainless model offers a bold commercial style stainless wrap door and commercial style handle.
