2275DWRC

2000 SERIES

FEATURES

PERFORMANCE

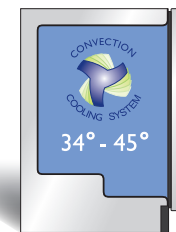

- 5.3 cubic feet overall capacity maximizes storage
- Touch glass digital control featuring easy view command center manages key functions and provides user alerts such as an audible drawer open alarm
- Digital controlled convection cooling system provides a stable and consistent environment for optimum food and beverage storage
- Temperature setting from 34 to 45° F can be set independently for each drawer to provide flexibility in preserving a wide variety of items
- Sabbath / Blackout mode turns off all lighting, controls display and automatically resets after 36 hours
- Automatic defrost
- ENERGY STAR® / CEE Tier 2 rated
- UL residential and commercial listings

INTERIOR / EXTERIOR

- Lighted stainless steel drawer interior optimizes easy viewing of contents
- Clear organizing bin in top drawer holds wine, 2-liter bottles and other items and slides back and forth for access to items beneath
- Optional slide & divide organizing system must be ordered separately PN: U-26013
- Convenient crisper drawer for proper storage and humidity control of perishable items can be completely removed for storage of taller items
- Black vinyl clad textured cabinet is more resistant to scratching, peeling and flaking

INTEGRATION

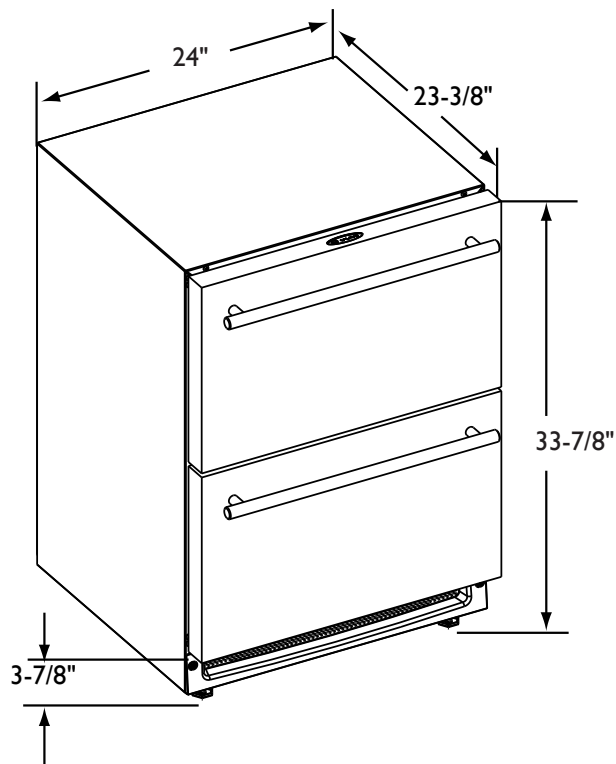

- Due to the full extension of drawers, anchoring device included and required for all installations
- Overlay can be converted to a black model with purchase of a black handle kit P/N: 26070-01
- Overlay model accepts a full 3/4" overlay panel and can be fully integrated into all styles of cabinetry
- Allow 1/4" width overall for proper installation (see backside for details)
- No additional clearance around sides, top or rear of unit is needed for ventilation
- Durable, factory installed level legs provide a more precise undercounter fit
- Do not obstruct front grille air flow

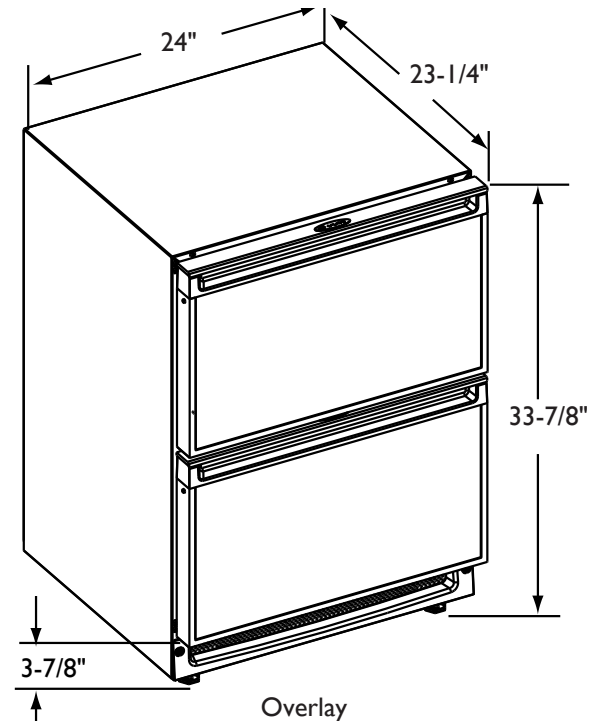

Single Zone Convection Cooling System featured in 2275DWRC.

2275DWRC – Clear top organizer bin accommodates food, wine and two-liter bottles within easy reach while the optional slide and divide organizer adjusts to keep items in place.
