

GE Monogram® 30" Professional Electronic Convection Double Wall Oven

Model# ZET2PLSS

- Electronic Dial Controls - Robust, die-cast metal design rotate with smooth digital precision
- Halogen Lights - On both sides of the oven provide brilliant, evenly distributed illumination for easy viewing of food as it cooks
- Exclusive Self-Cleaning, Full-Extension Oven Racks - Glide in and out smoothly on stainless steel ball bearings, and are designed to be left in the oven during the self-clean cycle
- 4.4 Cu. Ft. Total Capacity - Provides an expanded cooking area to easily accommodate even the largest meals
- True Hidden Bake Element - Concealed beneath the oven floor, allows quick and easy ash removal after the self-clean cycle
- Reverse-Air Convection System - Uses a dedicated third heating element and a bidirectional fan to provide a consistent temperature throughout the oven
- Standard GE Dimensions - Match the industry's preferred cutout sizes for remarkably simple installation
- Large Viewing Window - Allows you to view your culinary work in progress
- Broil Element with Reflector Shield - Provides complete and even cooking coverage
- Chamfered, Hand-Finished Edges - Give the premium-grade stainless steel door an added sense of depth and dimension
- Professional-Style Handles - Solid and substantial, reinforcing the overall look of sculptural sophistication
