## signature feature detail

### Soft Freeze™ Door Bin

- Keeps food frozen, but still soft for serving.
- Perfect for ice cream.

### Perfect Bins™ Door Storage

- Door storage bins that tilt out.
- Can be removed for easier access and cleaning.

### New Easy Installation

- Four point unit leveling from the front.
- Rollers instead of feet to reduce the possibility of scratching floors during installation and ease the installation process.
- Adjustable doors for easy alignments.
- The ability to connect the freezer and refrigerator units to act as one unit and thus assure a consistent gap between the units/doors and to prevent the units from moving apart.
- Trim kits that fasten to the units instead of to the kitchen cabinets, thus assuring easier installation and consistent visual spacing between the units and the trim.
