- WideView™ Window

CONVENIENCE

- SmoothTouch™ Glass Control System
- Auto Recipe Conversion
- 2 Full-Width / 1 Split Racks with 7 Rack Positions
- GoCook™ Smart Oven Light
- Warming Drawer
- Self-Cleaning

● Stainless Steel (ST)

LSRE307ST

Premium Free Standing Electric Range

5.6 Cubic Capacity

With one of the largest oven capacities available, LG's ranges provide more space for cooking large meals for families.

Dual True Convection System

Two fans combined with two built-in heating elements provides a 30% faster preheat time* with the added benefits of even heat distribution for overall uniform baking and roasting.

WideView™ Window

Allows you to easily check the progress of a meal in the oven without having to open the door.

*Based on testing results comparing a standard LG convection range to the dual convection range (325°F) mode.

Installation Reference

(See chart at right for measurements)
