

SCFI495

80.25" x 56.63" x 30.63" (H x W x D)

Commercially approved reach-in two-door freezer in complete stainless steel

Highlights:

Complete construction in durable, easy-to-clean 304 grade stainless steel

Self-closing reduces energy consumption

Digital thermostat with external readout for easy and accurate temperature control

True frost-free operation saves you maintenance by preventing icy buildup

Complete stainless steel construction

304 grade stainless is simple to clean and built to last

Commercially approved

NSF Approved to Standard 7

Frost-free operation

Let your appliance do the work with a timer defrost heater that continuously keeps ice from forming inside

Self-closing doors

Closes to save energy but will remain open when the door is opened at a 90° angle

6 inch casters

Self-locking casters for portability and more sanitary cleanup

Adjustable shelves

Slide-out shelves can sit on any level inside the refrigerator

Digital thermostat

Easy push buttons and an external temperature readout for precise temperature management

Front-mounted lock

Keep contents secure with a key lock on each door

Interior light

Automatically illuminates when you open the door

Large capacity

49 cubic feet of storage space inside

Specifications:

Height	80.25"
Width	56.63"
