

DACOR® 36" FRENCH DOOR REFRIGERATOR WITH WATER AND ICE DISPENSER

External Water and Ice Dispenser	<ul style="list-style-type: none"> • Through the door dispenser provides quick and easy access to ice and chilled water. Great for families! • Automatic Ice Maker insures a constant supply of ice is on hand at all times.
Exterior Digital Control Panel	<ul style="list-style-type: none"> • Located in front of the ice and water dispenser, the digital control panel allows you to make adjustments from outside the refrigerator for ease of use and convenience. • Set freezer and refrigerator temperature, display language, vacation or Sabbath mode without ever opening the doo
Luminous Blue LED	<ul style="list-style-type: none"> • Stylish and functional, the illuminating blue LED on the control panel attractively provides lighting to immediate area. • Easily adjust light brightness from the control panel. • With the AUTO option, the dispenser light sensor monitors the light level in the room. The light will illuminate when the light level is low.
Temperature Management System	<ul style="list-style-type: none"> • Sensors regulate the refrigerator and freezer temperatures to help maintain ingredient freshness so food last longer.
Humidity Controlled Compartments	<ul style="list-style-type: none"> • Two individually adjustable crisper drawers provide a higher humidity environment for fruits and vegetables. • Four sided seal around drawers keeps food fresher longer and saves money.
Temperature Controlled Deli Compartment	<ul style="list-style-type: none"> • Large deli drawer is the full width of the refrigerator for large party trays and meats. • Temperature control adjusts the amount of cold air allowed into the drawer keeping meats and deli items in optimum storage conditions so food taste and texture last longer.
Easy Glide Freezer Baskets	<ul style="list-style-type: none"> • Large baskets on glide racks offers easy slide-out, even when fully loaded for ease of use and convenience.
Adjustable Spill-Proof Shelves and Door Storage Bins	<ul style="list-style-type: none"> • Removable spill-proof glass shelves and door storage bins allow for easier clean up and flexible storage options. • Gallon door storage bin offers storage for those food items used most often, such as milk, for quick access and convenience.
Sabbath Mode	<ul style="list-style-type: none"> • Turns off all lights, alarms and tones. • Disables control panel, water and ice dispenser and auto defrost feature.
