Portable Induction Burner

FGIC134PAK S

1,300-Watt

Signature Features

More Energy Efficient

Cooking with induction is 70% more efficient than gas and 20% more efficient than electric.

More Responsive

Cooking with induction is more responsive than gas or electric so you can easily go from simmer to boil.

Cooktop Stays Cooler

No hot burners or open flames.

Effortless Cleanup

A damp cloth or sponge is all that is needed to easily clean the burner.

Effortless Performance
