

SCFR70FROST

35.0" x 41.0" x 24.0" (H x W x D)

Commercially approved frost-free chest beer froster with precision digital thermostat (preset at 24° F) and self-closing stainless steel lid

Highlights:

Innovative design for true convenience behind the bar

Commercially approved for use in foodservice establishments

Self-closing lid helps to maintain interior temperature and save user maintenance

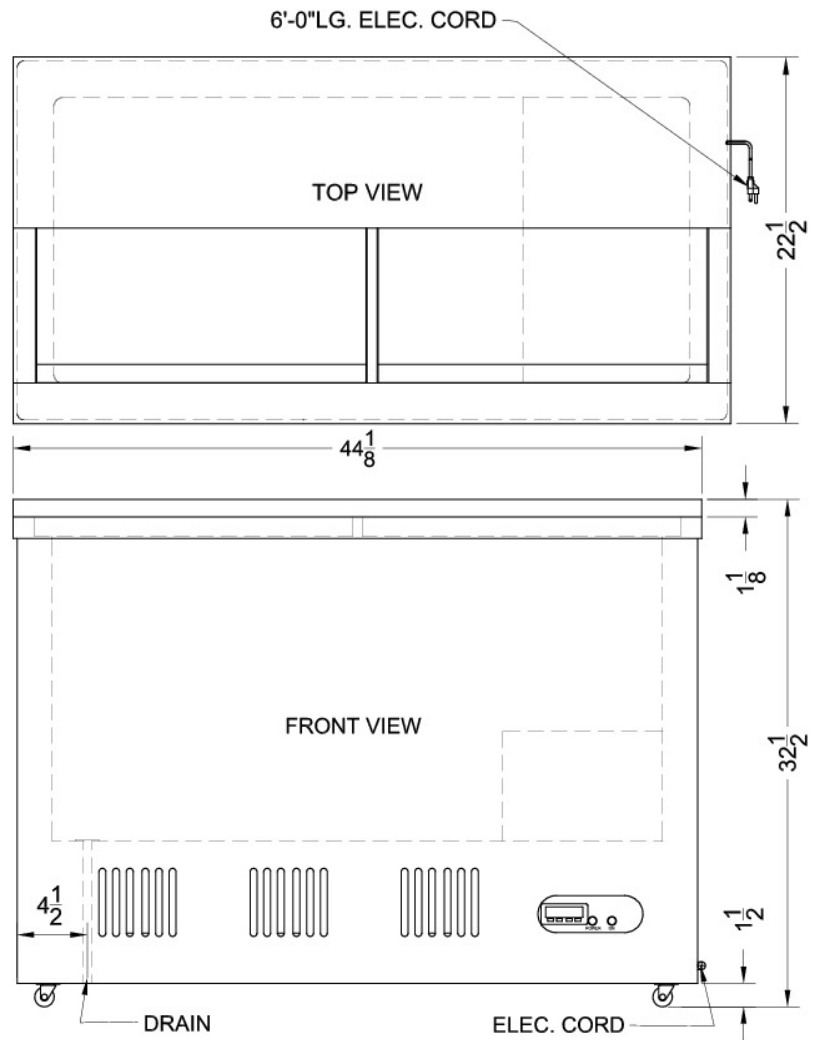

Precise temperature control with a digital thermostat pre-set at 24° F for optimal storage of aluminum beer bottles

Commercially approved	UL and UL-S Listed for use in foodservice establishments
24 inch depth	Slim depth fits well in tight spots
Self-closing lid	Stainless steel lid closes after opening to conserve time and energy
Professional towel bar handle	Curved handle in brushed stainless steel offers an easy grip
Digital thermostat	Precise temperature management with easy electronic controls; pre-set to 24° F to keep beer ice cold
Frost-free operation	Let the appliance do the work with a timer defrost heater that continuously keeps ice from forming inside
Locking pin	Allows users to keep the door open; especially useful when loading the beer froster
Interior baskets	Removable baskets offer convenient storage options
100% CFC free	Environmentally friendly design without ozone-damaging chemicals
