

PRODUCT HIGHLIGHTS

55" LED HDTV

- Samsung Smart TV™
- Experience 3D excitement on your TV
- Samsung LED with Ultra Slim bezel

Finally, entertainment and communication go hand in hand.

The future of TV connectivity is calling, and the 55-inch Samsung UN55D7000 LED TV is the answer – with the power of WiFi and Skype built right into the set. Making video calls in real time is a breeze, and both audio and video quality are crystal-clear. Samsung widens your view of what a TV can do, with advanced online connectivity known as Smart TV™ – enhanced web access and a wide range of apps. To top it all off, Samsung 3D technology immerses you in another world with a depth and clarity from 3D movies titles and TV programming that you have to see to believe. It's all wrapped up in an ultra slim Samsung One Design .5" inch bezel, for a “more screen” appearance.

UN55D7000 55" Class (54.6" Diagonal) LED HDTV with 1080p resolution.

SPECIFICATIONS

Auto Motion Plus 240Hz with Clear Motion Rate: Samsung 240Hz technology delivers even the fastest onscreen motion with utterly lifelike clarity.

1080p Full HD: Experience a greater level of detail and clarity in the picture than you ever thought possible.

One Design: The One Design family of LED TVs takes stunning TV images right to the very edge with an amazing 0.5-inch framed border that gives the appearance of "all picture."

Exceeds ENERGY STAR® standards: LED Energy Efficient, up to 50% less than the latest ENERGY STAR® specification depending on series and screen size in standard mode.

See www.energystar.gov for more details.

FEATURES

Samsung Smart TV™: An exclusive service that turns your TV into a web-enabled gateway where you can interact, watch, play and share with friends.

3D: See how 3D HD movies and sports come alive with a true sense of depth and action that leaps from the screen. Connect to a Samsung Blu-ray™ 3D Player to play 3D titles or intensify your viewing experience by upconverting regular 2D content to immersive 3D.*

*Full 3D experience requires 3D-native content; conventional 2D content can also be upconverted to near-3D image quality.

QWERTY Remote Control

Micro Dimming: Advanced picture contrast technology controls and enhances LED screen brightness, for even whiter whites and deeper blacks.

Skype™ on Samsung TV: Enjoy the convenience and connectivity of free, IP-based, picture-in-picture video calls via Skype™ right from your couch. View it all lifesize on your Samsung TV.

Built-in WiFi

AllShare™ DLNA® networking: Feed content from other digital devices to your TV for you to enjoy on screen.

ConnectShare™ Movie: Connect a thumb drive or digital camera quickly and easily. User-friendly interface allows access to videos, a music playlist and pictures via the remote.

Ultra Clear Panel: Advanced technology lets you enjoy crisp image details, natural skin tones, excellent shadow detail and vibrant colors.

Wide Color Enhancer Plus: Delivers the entire spectrum of color and luminance for rich, saturated images with intense detail.

Swivel stand
