

# Monogram® 30" Fully Integrated Customizable Refrigerator with Convertible Drawer

Model# ZIC30GNZII

- Integrated, panel-ready design - Blends seamlessly with surrounding cabinetry and accepts stainless steel European- or Professional-style panels in 80- or 84-inch heights, ordered separately from Monogram
- Dual-refrigeration system - Provides precise and customizable climate control with three independent temperature-management zones
- Convertible lower drawer - With independent temperature controls can be used to store fresh food, frozen foods, wine or beverages
- GE unveils first HFC-free refrigerator in the U.S. - To use a R600a refrigerant, which has a lower global warming impact than ozone-depleting hydrofluorocarbon (HFC) refrigerants commonly used in household refrigerators
- Freezer drawer with electronic icemaker - Includes a removable ice bin and scoop and accommodates everyday freezer items, such as pints of ice cream
- LED interior lighting - Gradually brightens and dims when door or drawer is opened and closed, providing clean white illumination that's both attractive and energy-efficient. Side and top lighting in the upper compartment enhances visibility
- Adjustable glass shelves - With aluminum trim provides an elegant and uncluttered appearance
- Soft-close freezer and convertible drawers - Smoothly and quietly slide into a secure shut position
- Illuminated, electronic glass-touch controls - Make it easy to adjust interior lighting, temperature (Fahrenheit or Celsius), control lock and other settings for all three climate zones

## FEATURES

Configuration	Full Door and Double Drawer
Temperature Management System	Dual Sealed System
