## 3036RRGL

3000 SERIES

### FEATURES

#### PERFORMANCE

- U-Select™ Control: Integrated OLED display with intuitive user interface ergonomically located on top of door
- Digitally controlled dual-zone convection cooling system
- Refrigeration capacity of 7.1 cubic feet
- Capacities: 120 12-oz bottles or 254 12-oz cans
- Beverage Mode: 34° to 65°F,
- Sabbath / Black-Out mode
- UL Residential Listing

#### INTERIOR / EXTERIOR

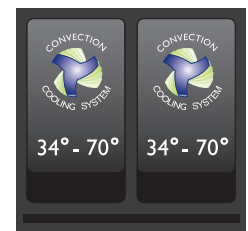

- Six adjustable tempered glass shelves with 11 positions optimize storage space for a wide variety of options
- Black interior with LED theater lighting optimizes elegant display
- Standard commercial stainless steel handle is interchangeable with professional handle option
- LowE coated, argon gas filled thermopane glass door provides protection from harmful UV rays and added insulating energy efficiency
- Robust, concealed and covered hinges with built-in door stop and closer
- Convenient crisper drawer comes in handy to store smaller items and keep them fresh

#### INTEGRATION

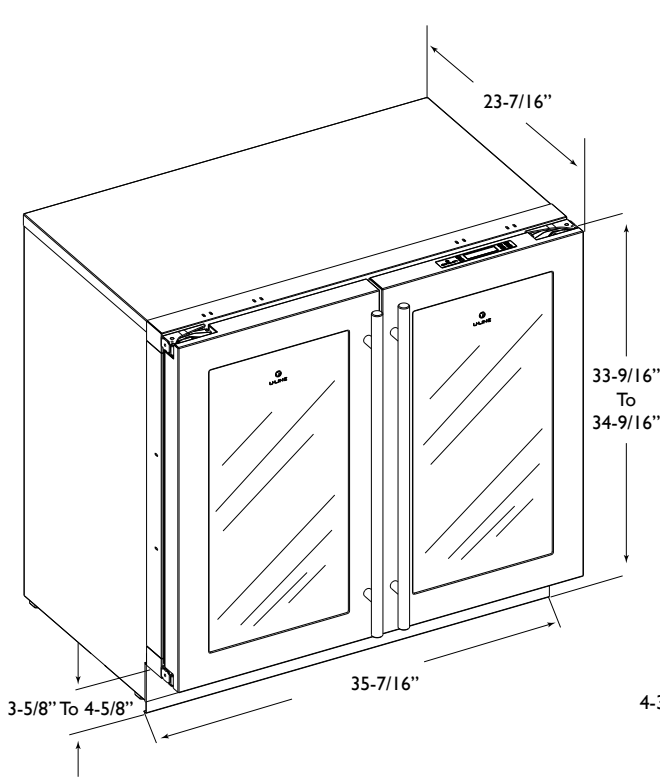

- Standard commercial stainless steel handle is interchangeable with professional handle option
- Adjustable toe-kick - front to back and up and down allows for seamless installation
- Front adjustable rear leveling legs greatly eases installation
- Allow a 2-1/2" clearance on hinged side for 90° door opening when installed adjacent to a wall (for stainless steel model)
- Allow 1/4" width overall for proper installation (see backside for details)
- No additional clearance around sides, top or rear of unit is needed for ventilation

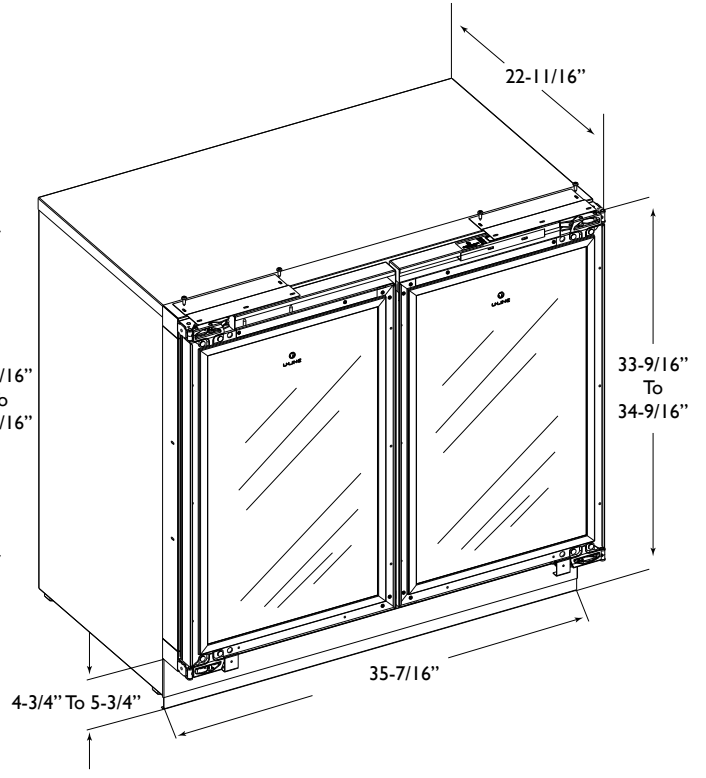

Adjustment and configuration of shelves allows for storing taller items

Dual Zone System featured in 3036RRGL
