

Features & Benefits

Feature	Benefit
Independently temperature controlled drawers	Temperature in each drawer can be set independently between 40-60°F, providing different storage options.
Touch Control Digital Technology	<ul style="list-style-type: none"> • Full-featured, easy-view command center - right at your fingertips • Easy to set and see the temperature in each Wine Captain Drawer • Manages key model functions and provided user alerts
Black model	Offers two elegant black glass framed drawer fronts with a black sculpted handle and black vinyl-clad steel cabinet and grille
Stainless steel model	<ul style="list-style-type: none"> • Offers two seamless stainless steel-trimmed glass drawers with a sculpted stainless steel handle and a full wrap stainless cabinet, and a stainless-like grille • Must order right- or left-hand hinged
Cascading wine racks	<ul style="list-style-type: none"> • Allow for easy access • In both the top and bottom drawers
Black vinyl-coated wine racks	Prevent bottles from slipping
Adjustable on/off interior light	<ul style="list-style-type: none"> • Automatically illuminates when the door is opened • May be manually turned on when door is closed for viewing one's wines • Auto shut-off after four hours • Recessed so as not to interfere with access to wine
Contoured maple-trimmed wine racks	Wood can be stained or replaced with a solid surface material to match surrounding décor.
Wine Caddy in bottom drawer	Holds 3 bottles, accessible from either side and allows for convenient transportation of wine
Black vinyl-clad cabinet	<ul style="list-style-type: none"> • Textured look, more resistant to scratching, peeling or flaking • On black and stainless models
Tinted, thermal glass door	Protects wine from potentially harmful ultraviolet light rays
Built-in	<ul style="list-style-type: none"> • Product designed for built-in look • No additional clearance around sides, top or rear of unit for ventilation. Do not obstruct front grille.
Leveling legs	More precise undercounter fit - durable - factory installed
Sabbath or "Black Out" mode	<ul style="list-style-type: none"> • Easily turns off all lights and control displays • Automatically resets after 36 hours
Contemporary grille design	Integrates seamlessly with surrounding cabinets
