IN HARMONY WITH YOU

EASY TO LOAD

hate supports in the upper rack have been designed to maximize space i our dishwashers, allowing large items to be easily washed. With the flip

r your cuflery and espresso cups. What makes this rack special is the ct that it still allows you to place tall sternware on the sides of the uppe shwasher basket. If can be completely and easily removed should you

is FlexiRack, which allows you to adjust the rack height in one simple

Sliding cutlery basket

Your Blomberg dishwasher's outlery basket can be placed anywhere in front row of the dishwasher by simply sliding it from side to side.

IN HARMONY WITH YOUR LIFE

With over 125 years of production and experies in the appliance and metal industries, Blombary is a guality name in the European household appliance market, livos owned by Arcelli, the 8° Hispest appliance manufacturer in Europe, Blombary has pained a sizeable presence in the European home. For years Endomery has been settler through an extra few productions of the production of the production of the productions of the discharged separation of the production of the discharged separation of the

Maximum energy efficiency
All Blomberg products are ENERGY STAR qualified,
offering you cleaner dishes while saving you
money and energy.

IN HARMONY WITH YOU

PRACTICAL

Electronic controls

The electronic display offers you a quick and easy way to select your programs. Additionally, products with numerical display offer a

and provides a 30-minute quick wash progr alternative for your lightly soiled dishes.

Turbo fan drying

The additional fan included in the 37 series will improve the dryin performance of your dishwasher by means of active ventilation at the end of the washing cycle.

Half load

Now there's no need to wait for both racks to be fully loaded to start your dishwasher. The half load option offers complete load flexibility, enabling dishes to be washed economically using just one rack - upper or lower - with less water and energy consumption.

IN HARMONY WITH YOU

WITH YOU SAFE

PRACTICAL

smartF∏™ and smartBALANCE™ Blomberg developed a height adjustment mechanism called smartFITTM, which allows the rear feet to be adjusted from the front. In addition, fully integrated Blomberg distrivastions have a front adjustable thinge system, smartBALANCE™, which helps achieve a perfectly balanced door by adjusting the distrivastion to the weight of your kilothen cabinet door.

S level wash
The 5 level wash system ensures immaculately clean dishes. The two
spray arms, placed in the bottom and the middle of the dishwasher, and the
shower head at the lop spray water from every direction, reaching even the
