

SWC1545

64.25" x 23.63" x 24.0" (H x W x D)

Full-sized counter depth wine cellar with two temperature zones

Highlights:

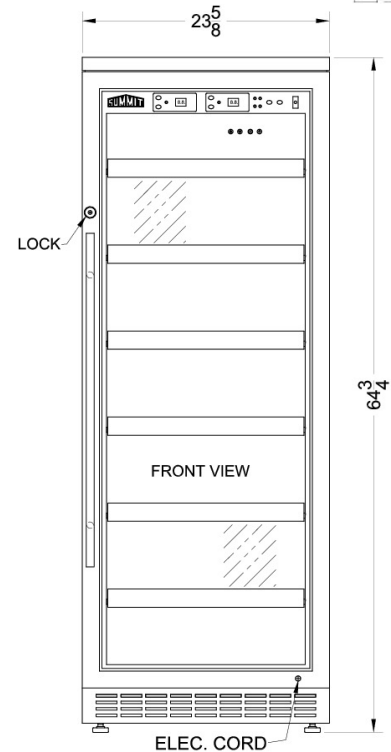

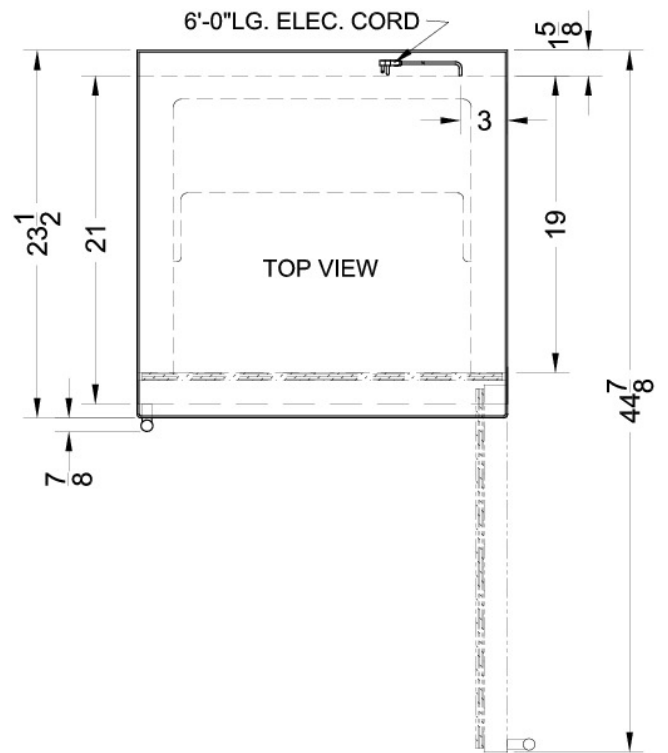

- Two temperature zones for ideal storage of red and white wine
- Sliding wooden shelves hold bottles with classic style
- Heat resistant glass door provides an elegant view of your collection
- Two digital thermostats offer precise and convenient temperature control

| | |
|--------------------------------------|--|
| Dual temperature zone | Store white and sparkling wines at a cooler temperature on lower shelves while red sits above for longer preservation |
| Two precision digital thermostats | Easy and accurate temperature management to keep reds and whites under the right conditions |
| Automatic defrost | Simplify maintenance by letting the appliance defrost itself |
| Glass door with stainless steel trim | Heat resistant glass door provides full view of stored collection |
| Wooden shelves | Slide-out wooden shelves for proper bottle storage |
| Fully finished black cabinet | Textured finish for added style |
| Professional stainless steel handle | Elegant look in brushed stainless steel |
| Factory installed lock | Mounted on the door for true convenience |
| 100% CFC free | Environmentally friendly design does not contain ozone-damaging chemicals |
| Temperature range | Upper zone for reds has a temperature range of 10° C/50° F to 18° C/64° F; Lower zone stores whites and sparkling wine between 5° C/41° F to 10° C/50° F |
