Silhouette SELECT®

Features

- Built-in wine cellar with 146 bottle capacity
- Two distinct, independently controlled temperature zones
- The top shelf accommodates magnum wine bottles with a diameter of up to 3 $\frac{5}{8}$"
- All black interior emulates the traditional wine cellar
- Precise digital thermostat with LED display allows the temperature to be accurately set and monitored through the door
- The temperature range can be set between 39°F – 64°F (4°C – 18°C) depending on the type of wine
- Alarm will sound if temperature fluctuates excessively or door is left ajar
- Our frost-free, fan forced cooling system provides a more consistent internal temperature than an automatic defrost
- Seamless stamped stainless steel door with matching handle and toe-kick
- Stainless steel trimmed wood shelves
- Roller-glide shelves extend effortlessly minimizing agitation to the wine
- White LED lighting beautifully illuminates the interior without the heat created by an incandescent bulb. Easily set for continuous display.
- LOW E glass door helps protect wine from harmful UV rays and helps to maintain a more consistent internal temperature
