

13 Products Offering Luxury Appeal, Cutting-Edge Design

“So what can attendees expect from this year’s show? ...and a new line of Italian ranges designed for small spaces from Ilve Appliances, among many others.”

Take a sneak peek at some of the high-end offerings to be featured at this year’s Architectural Digest Home Design Show

#12 Ilve Appliances

Designed for small spaces, the company’s Majestic ranges now come in 24- and 30-inch all-gas models. Both units feature one 15,500 BTU and two 10,500 BTU Rapid Burners, and one or two 7,000 BTU Semi-Rapid Burners. A full-size warming drawer is standard. Seven colors are available. www.ilveappliances.com.
