TOBLINO

WALL-MOUNTED HOOD

Toblino with its super sleek hood design that's only 2" high is the perfect complement to modern kitchen designs that often feature futuristic products with sharp architectural lines. Available in 30" or 36" widths, Toblino features High-tech LCD controls which manage multiple functions, including incandescent lighting, 3 speed blower, plus automatically turns on under high heat and even has a sensor that tells you when to clean your dishwasher-safe anodized aluminum mesh filters. Toblino features a telescopic chimney for up to 8' ceilings and also has an available extension for taller kitchens. Designed for standard ducted installation, Toblino can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.
