ROSSA

UNDER-CABINET HOOD

Rossa sports a slender 5" height and soft curves, designed to modernize and perfectly fit kitchens where space is a premium. Rossa features a 2-speed, 250 CFM internal blower, which provides sufficient ventilating power for most kitchens. Color coordinated rocker switches control blower speeds and dual level incandescent lighting. The anodized aluminum mesh grease filter is dishwasher safe and simple to remove & re-install. Rossa is designed for standard ducted installation, and can also be installed as a recirculating system, using the Recirculating Kit, available as an accessory. Rossa is available in the most popular 30" width and offered in either stainless steel, black, white or biscuit finishes.
