 36" Wide, Island Hood
Stainless Steel + Glass

Elica Americas Design Center

GUSANA

ISLAND HOOD

With broad wings, Gusana takes flight with graceful 36" arched glass, which allows natural light to illuminate the surface below. The expansive glass wings are complemented by reflective stainless steel and together are an eye catching centerpiece for the kitchen. More than a pretty face, Gusana features High-tech LCD controls which manage multiple functions, including dual Halogen lighting, 3 speed blower, plus it automatically turns on under high heat and even has a sensor that tells you when to clean your dishwasher-safe anodized aluminum mesh filters. Gusana features a telescopic chimney for up to 9'5" ceilings. Designed for standard ducted installation, Gusana can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.

FEATURES

Controls	Touch Controls with LCD Display
Illumination	2, 20W Halogen Lamps (Bulbs Included) 1 Light Intensity
Installation Type	Ducted or Recirculating Installation Recirculating Kit Sold Separately
