## GE® 4.8 DOE cu. ft. capacity washer with stainless steel basket and steam

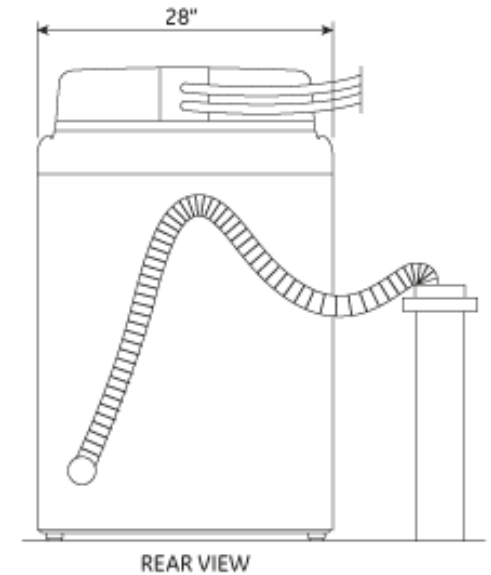

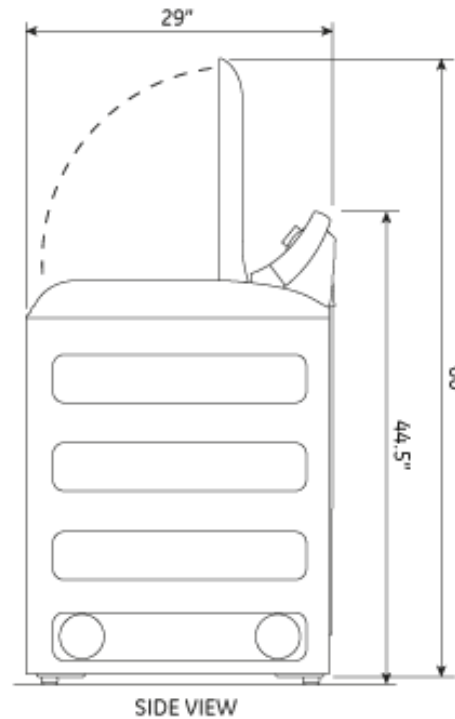

### Dimensions and Installation Information (in inches)

**Circuit Requirements:** An individual, properly-grounded branch circuit, with a three-prong grounding-type receptacle, protected by a 15 or 20 amp circuit breaker or a time-delay fuse, is required.

**Electrical Rating:** 120V, 60Hz, 10A

**Note:** Washer wall outlet must be located within 36" of service code entry. Wall outlet must not be located behind dryer.

**Installation Information:** Before installing, consult installation instructions packed with product for current dimensional data.

GE® 4.8 DOE cu. ft. capacity washer with stainless steel basket and steam

## Features and Benefits

- Steam Assist - Loosens soils and odors before the wash begins with steam vapor in the washer
- Stain Removal Guide - Easily eliminate tough stains with preprogrammed settings that modify your cycle to treat the four most common stains
- Soft-close glass lid - The convenience of hydraulic technology allows the lid to close gently every time
- CleanSpeak™ Communication System - Perfect drying performance is achievable thanks to the ability of the washer to communicate with the dryer to preset the dry cycle
- HydroHeater™ internal water heater - Boosts water temperatures and helps achieve sanitization
- Quietpack - Enjoy a powerful clean that you won't hear thanks to noise-dampening material that holds in sound for a quieter cycle
- ENERGY STAR® qualified and CEE Tier III rated meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
- Vibration Control - Quietly washes any-size load without vibration thanks to technology that optimizes spin pattern
- My Settings - Wash clothes with the settings you prefer on any cycle, rather than the defaults, and store your settings for later use
- Model GTWS8450DWS - White
- Model GTWS8455DMC - Metallic Carbon
