

Legacy

For classic looks with modern features, look no further than the AGA Legacy. Unique gleaming spiral handles set off the curvaceous doors to satisfy the design conscious. A versatile cooktop and flexible electric ovens indulge those with the highest culinary standards. With this bold appearance and contemporary features, it's easy to see why this AGA out looks and out cooks other pro-style ranges.

36" Electric Legacy in Black*

*Electric models not available in Canada

36" Dual Fuel Legacy in
Stainless Steel

Stainless Steel Redefined

This Legacy redefines the stainless steel range. It fuses a commercial style finish with the elegant contoured AGA design to produce a range like no other. The high grade stainless exterior provides a durable, attractive and easy to maintain finish. And the interior is equipped with the Legacy amenities you have come to expect from AGA.

The stainless steel Legacy model is available only in dual fuel in both 36" and 44" sizes.

Electric Legacy*

Control Knobs

Large, chrome accented knobs with childproof, push-to-turn safety feature.

Broiling Oven

This oven may look unassuming, but it features a powerful 8-pass, 2300 watt broiler that's heated and ready to cook in just 5 minutes! The Full Broil mode provides complete coverage using the full eight passes. The Half Broil mode uses the four right-hand passes and is perfect when cooking for one.

7-Mode Multifunction™ Oven

Offers the ultimate flexibility with 7 different cooking modes: Convection defrost - fan forced air without heat; Convection bake - rear convection element with fan forced air; Convection broil - top element with fan forced air; Fan assist bake - top and base element with fan forced air; Conventional bake - top and base element heat; Top brown - top element heat only; Base heat - bottom element heat only.

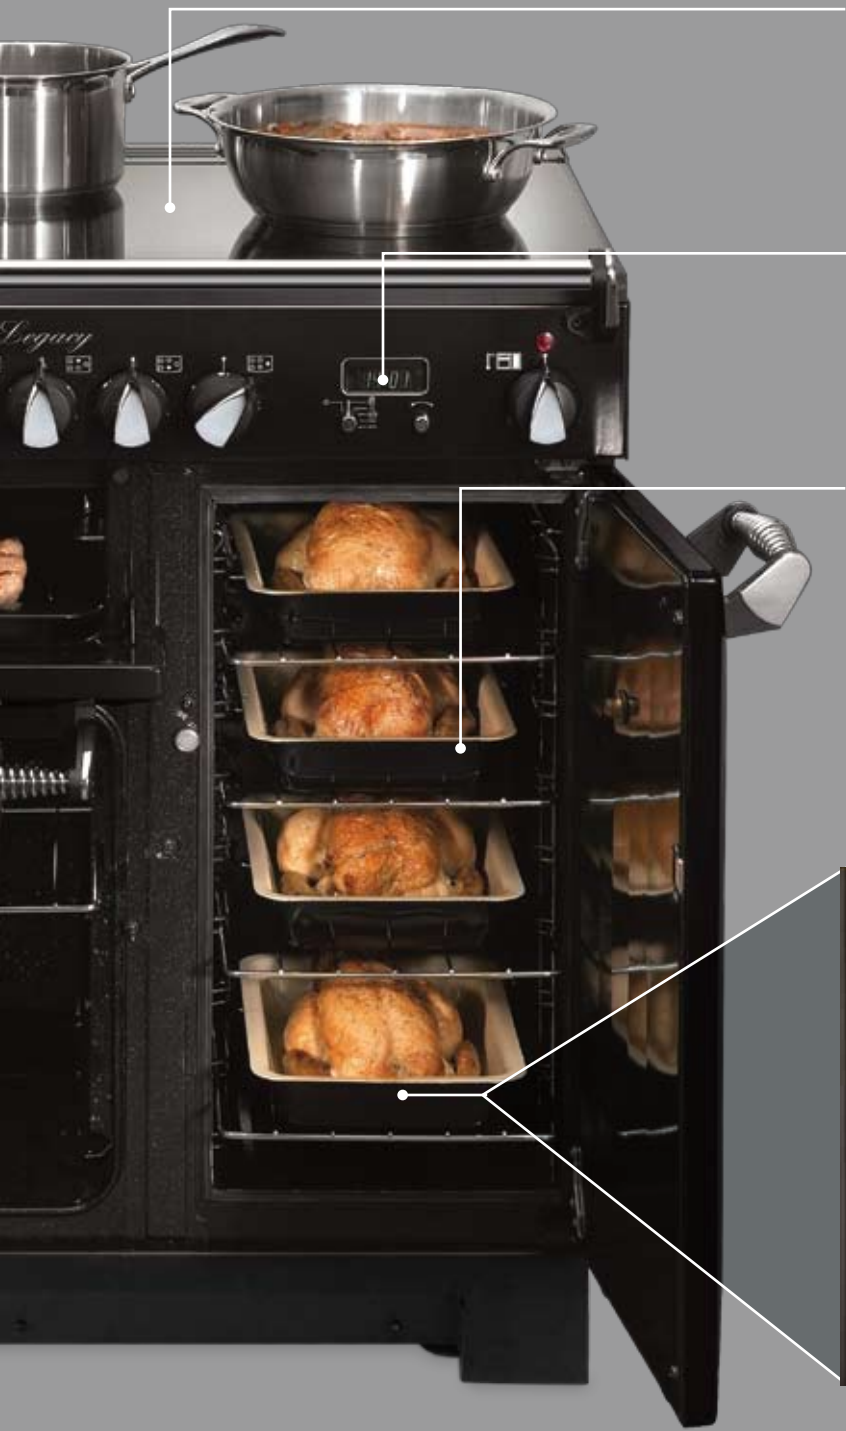

HandyRack™

A signature Legacy feature. No more pulling out hot, heavy racks to check foods. The HandyRack™ is a removable shelf located in the door. Fitted in one of its two positions, this rack provides safety and convenience allowing you to place dishes where they are easiest to access.

36" Electric Legacy in Black*

*Electric models not available in Canada

Electric Cooktop*

This sleek ceramic cooktop is equipped with rapid response ribbon elements that heat in seconds. Hot surface indicator lights alert you when the cooktop is in use or warm to the touch for extra safety, even after it has been turned off.

Minute Minder

This integral clock has a timer with a delayed baking feature, allowing you to program when the oven turns on and off. Plus, the key lock prevents little hands from accidentally starting ovens.

Vertical Convection Oven

This programmable oven uses true convection, a cooking method that continuously circulates hot air through the cavity, for faster more even cooking. With 1.8 cu. ft. of capacity in the 36" model and 2.4 cu. ft. in the 44", this oven is large enough to prepare a whole meal, but small enough to heat up quickly and efficiently. The 36" model features four heavy duty oven racks and a removable plate warmer while the 44" includes three oven racks and a roasting tin.

Plate Warming Rack

44" Electric Legacy with optional Cathedral doors in Ivory*

No other pro-style range has this much to offer

Control Knobs

Large, chrome accented knobs with childproof, push-to-turn safety feature.

7-Mode Multifunction™ Oven

This incredibly versatile programmable oven provides so much flexibility. Turn the convection off, leave it on or go somewhere in between - you tailor the oven's performance to your needs by selecting from the convection bake, convection broil, fan assist bake, conventional bake, top brown or base heat modes.

Glide-Out™ Broiler System

The smooth action Glide-Out™ broiler system uses a sliding runner to move the broiler pan in and out of the oven safely and easily.

36" Dual Fuel Legacy with optional Cathedral doors in Black

44" Dual Fuel Legacy in All White

Dual Fuel Legacy

Gas Cooktop

This versatile cooktop is equipped with sealed gas burners, featuring an integral wok burner. Available in both Natural Gas and Liquid Propane fuel types. Note: Grates are matte porcelain enamel finish on all models.

Minute Minder

This integral clock has a timer with a delayed baking feature, allowing you to program when the oven turns on and off. Plus, the key lock prevents little hands from accidentally starting ovens.

Convection Oven

This programmable oven features an impressive 2.4 cu. ft. of cooking capacity in the 44" model and 1.9 cu. ft. in the 36". The 44" model is accompanied by three heavy duty oven racks and roasting tin while the 36" includes four racks and a removable plate warmer.

Storage Drawer

The 44" model features a convenient storage drawer which is the perfect place to store baking trays, saucepans or kitchen towels so they are always close by.

The Legacy Suite - featuring the 44" Dual Fuel Legacy in All White, 48" Legacy Vent Hood in White, the Legacy Dishwasher in White and 36" Legacy Refrigerator in White.

Simple Style

For over eighty years AGA has hand crafted ranges of superior performance and classic design. Now, we proudly offer a collection of coordinating products so you can create the kitchen of your dreams.

Style choices are usually limited with your dishwasher. Pick a standard color, or integrate it with a cabinet panel. Our Legacy Dishwasher is the perfect blend of function and style with our trademark contour design. Engineered to fit beautifully into your Legacy kitchen, our quiet and Energy Star® rated Dishwasher is available in every Legacy color.*

*NOTE: Not available in Stainless Steel.

This 36-inch wide, ENERGY STAR® rated Refrigerator by Marvel fuses our classic design with state of the art features like electronic touch temperature controls, and thoughtful amenities like the internal water dispenser and smart storage solutions.

You can't have a range without a hood.
 Our Legacy hood inspired by the classic
 AGA design, coordinates perfectly with
 any AGA range.

Warranty

RANGE - One (1) year warranty on parts and labor with the exception of cosmetic damage to painted porcelain enamel finish or plated surfaces. Second and third year limited warranty on heating elements.

REFRIGERATOR - One (1) year limited warranty on all parts and labor with the exception of cosmetic damage to painted finish or plated surfaces. Second through fifth year warranty on any part of the sealed refrigeration system (consisting of compressor, evaporator, condenser, drier and connection tubing) and the cabinet liner (exclusive to the door liner) which fail in normal home use.

DISHWASHER - One (1) year limited warranty on all parts and labor with the exception of cosmetic damage to painted finish or plated surfaces. Second through fifth year limited warranty on nylon dish racks and electronic controls if defective in materials or workmanship. Lifetime warranty on stainless steel tub and inner door.

VENT HOOD - One (1) year limited warranty on all parts and labor with the exception of cosmetic damage to painted finish or plated surfaces.

Warranties apply to product only in the country in which it was purchased. Product is not intended for commercial installations. Warranty is void in any commercial-type application. Changes to the product may have occurred from the time this brochure was printed. Please obtain a current installation manual for your purchased model before beginning installation or rough-ins. Local authorities govern installation codes. In most areas, a licensed gas fitter or plumber is required.

If the product is installed outside the normal service area, any cost of transportation expenses (tolls, ferry trip charges, or mileage expenses, etc.) involved in the repair of the product, or the replacement of a defective part, shall be borne by the customer (owner).
