

# LN5300 SERIES

39LN5300/42LN5300

## 39/42" Full HD 1080p LED TV

► Enjoy breathtaking high-definition entertainment with LG's LN5300 Full HD 1080p LED TV Series. With almost double the pixel resolution of standard HD, the Full HD LN5300 delivers superior picture quality with amazing brightness, crisp detail, and vivid colours. Take the guesswork out of picture adjustments with this simple-to-use feature Picture Wizard, an easy self-calibration with on-screen reference points. With Energy Star® Qualified class you use about 30% less energy than standard units, saving you money. Built-in HD broadcast ATSC/NTSC/Clear QAM TV tuner, USB connectivity, and a full-featured remote make LG's LN5300 the best value for Full HD theatre entertainment.

### TOP FEATURES:

- LED
- Full HD 1080p, 60Hz
- MHL to charge, display and control your Smartphone on the big screen
