

# Viking Outdoor Ventilation

## Standard Features and Accessories

All models include:

- 27"D.
- Agency certified for outdoor use
  - Keeps outdoor air fresh
  - Designed and constructed for damp environments
- Canopy only – must also purchase interior or exterior ventilator kit, **sold separately** (see **Installation Notes & Accessories** for recommended Viking ventilators)
- Heavy-duty construction; professional-type size, design, and styling
  - Virtually seamless stainless steel design with no visible screws
- Heat sensor turns the ventilator on full power when cooking temperatures reach uncomfortable levels
- Variable speed ventilator controls
  - Separate controls for on/off and speed control
- Easy cleanup
  - Commercial-type baffle filter system efficiently removes grease and heated vapors from the air; especially designed for use with commercial-type products
  - Design of low-profile filter system means less interior hood space to be cleaned
  - Canopy interior is completely lined in stainless steel for increased rigidity, seamless appearance, and easy cleaning
  - Separate removable trough catches liquefied grease
- 50-watt halogen lights with dimmer control
  - Power switch and dimmer control are separate, allowing you to leave dimmer at favorite position
- Heavy-duty construction; professional-type size, design, and styling

## Finish Details for All Models

- Available in Stainless Steel (SS)
- Accessory Rail Option – Front of hood (must be ordered factory-installed)
  - Stainless Steel/Chrome (CR) – Stainless steel rail with chrome supports/brackets and hooks (included)
  - Brass Trim Option (BR) – Brass nameplate, rail, supports/brackets, and hooks (included). Brass components have a durable protective coating for maintenance-free normal use.

VWHO3678

## Model Numbers

- VWHO3678 – 36"W. Hood (for 30"W. grills)
- VWHO4878 – 48"W. Hood (for 41"W. grills)
- VWHO6078 – 60"W. Hood (for 53"W. grills)

## Warranty Highlights\*

- One year full warranty – complete product
- Five year limited warranty – ventilator motor
- Lifetime limited – rust through on all stainless steel components
- Ninety-day limited – cosmetic parts such as glass, painted items, and decorative items

\*Must use Viking ventilator kits with Viking hoods; use of non-Viking kits voids product warranty. For complete warranty see Use & Care Guide. Warranty valid on Viking products shipped within the United States and Canada.
