

Combination Portable Air Conditioner & Ion Generator Products

CV-2P10SX
CV-2P12SX
CV-2P13SX

CV-PD13PX

Sharp's Portable Series Air Conditioners are easy to move from room to room. These models provide Library Quiet® cooling with sleek and attractive styling and a full function Plasmacluster® ion generator to not only cool the air, but also refresh the air and help reduce indoor odors. They can also be used as a dehumidifier to remove up to 72 pints of moisture from the air in a single day. The fully featured remote control with LCD display allows you to control the unit from virtually anywhere in the room. The flexible exhaust hose and window adapter kit allow venting of the hot air, while keeping out rain and insects.

Features:

Portability – 4 Easy Roll Casters allow the air conditioner to be moved easily from room to room. The flexible exhaust hose and window adapter kit allow easy installation in double hung and sliding windows.

Full Function Remote Control with LCD Display – Control every function of the unit from virtually anywhere in the room. Change the mode of operation, adjust the fan speeds or activate the timer. The LCD display shows all of the current settings.

Plasmacluster Ion Technology – Activate the Plasmacluster Ion generator to release positive and negative ions into the air to create a fresher feel and smell to the air without perfumes or chemicals

Large Capacity Dehumidification – Use the dehumidify function to remove up to 65 pints of moisture from the air every 24 hours.

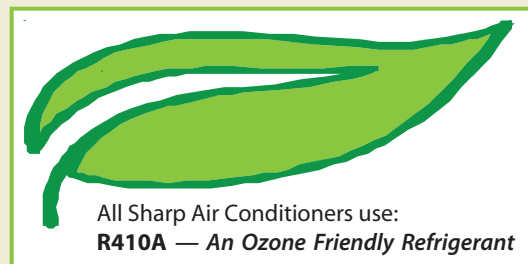

Automatic Oscillating Louvers allow you to sweep the air throughout the room for better distribution and comfort.

4-Way Air Direction lets you direct the cool air where you need it most.

Bucketless Design – No water tank to empty. The built-in condensate disposal system sends the water out of the exhaust hose.

Library Quiet – As low as 39 dB at Low Cool.

CV-PD13PX – Sharp's Dual Hose design uses air from outside to cool the Air Conditioner for the maximum in Portable cooling efficiency.

All Sharp Air Conditioners use:
R410A — An Ozone Friendly Refrigerant

Specifications

Model Number	CV-2P10SX	CV-2P12SX	CV-2P13SX	CV-PD13PX
