

GTWS8350D/GTWS8355D

GE® 5.0 DOE cu. ft. capacity washer with stainless steel basket and steam

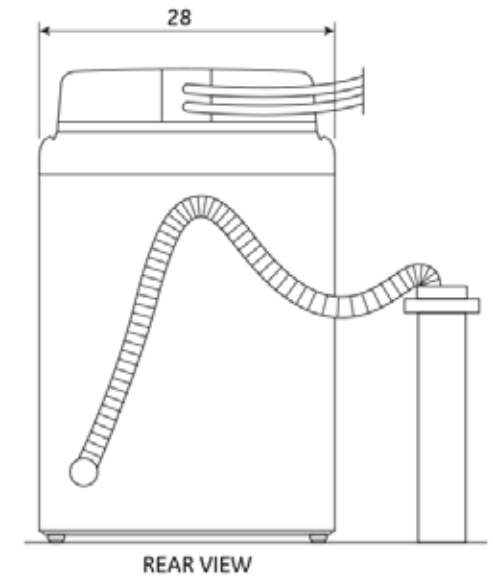

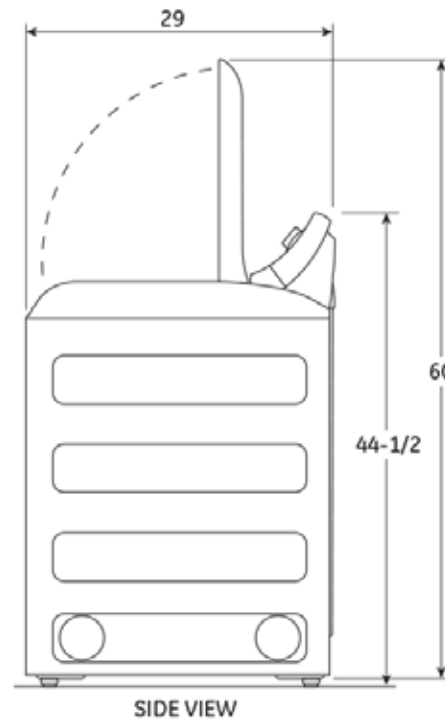

Dimensions and Installation Information (in inches)

Circuit Requirements: An individual, properly-grounded branch circuit, with a three-prong grounding-type receptacle, protected by a 15 or 20 amp circuit breaker or a time-delay fuse, is required.

Electrical Rating: 120V, 60Hz, 10A

Note: Washer wall outlet must be located within 36" of service code entry. Wall outlet must not be located behind dryer.

Installation Information: Before installing, consult installation instructions packed with product for current dimensional data.

GTWS8350D/8355D

GE® 5.0 DOE cu. ft. capacity washer with stainless steel basket and steam

Features and Benefits

- Steam Assist - Penetrates deep into fabric fibers, loosening stains like tomato and grass, yet protects your fabric
- Stain Removal Guide - Easily eliminate tough stains with preprogrammed settings that modify your cycle to treat the four most common stains
- Wash action waterfall - Loads receive thorough coverage with this waterfall that combines with a recirculation pump to move water and detergent through clothes
- Soft-close glass lid - The convenience of hydraulic technology allows the lid to close gently every time
- Clean Speak Communication System - Perfect drying performance is achievable thanks to the ability of the washer to communicate with the dryer to preset the dry cycle
- Internal water heater - Boosts water temperatures and helps achieve sanitization
- Power Rinse option - Optional deep rinse cycle ensures clothes are rinsed of soap residue and fabric softener
- ENERGY STAR® qualified and CEE Tier III meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
- Vibration Control - Quietly washes any-size load without vibration thanks to technology that optimizes spin pattern
- My Settings - Wash clothes with the settings you prefer on any cycle, rather than the defaults, and store your settings for later use
- Model GTWS8350DWS - White
- Model GTWS8355DMC - Metallic Carbon
