

QUICK START GUIDE

BN68-05028A-02

Attach the TV to the Stand

Step

Connect video devices

Warning: Screens can be damaged

from direct pressure when handled incorrectly. We recommend lifting the

TV by the edges, as shown.

Step

Insert the batteries into the remote control

Step

Power on and start the initial setup

Step

Welcome to your new Smart TV!

The following instructions cover assembling, connecting, and setting up your new TV. Make sure you have the accessories listed below.

Included in this box

Remote Control

Remote Control

Batteries (AAA x 2)

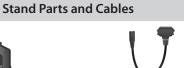

Stand Mount

IR extender

Cable manager

Power cord

Wall mount adapter (46 inch and above models)

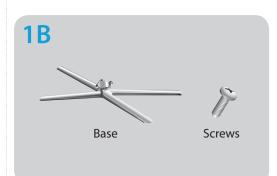

Also included: User Manual, Regulatory Guide

Step 1

Attach the TV to the Stand

Lay the TV on a soft surface, screen side down. Use the packing material to protect the screen.

Find the stand base and screws in the box and set aside.

Screws

32 inch models: 7 pieces

39 inch and above models: 8 pieces

REQUIRED TOOLS: a Phillips head screwdriver and a soft, flat surface larger than the TV

Fit the stand and mount together, making sure the notch on the mount aligns with the stand.

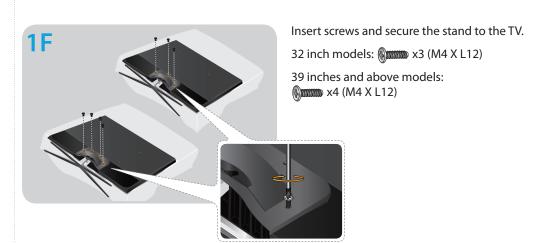

Insert 4 screws and secure the stand to the mount.

(M4 X L12)

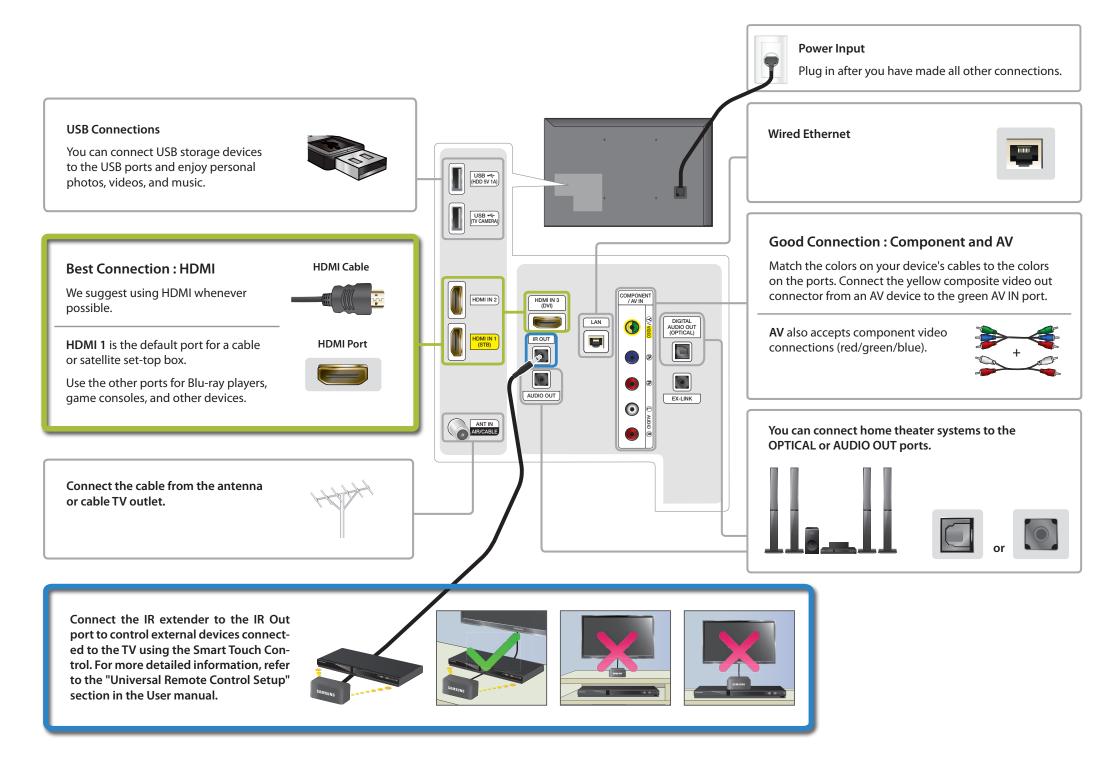

Step 2 Connect video devices

We suggest using HDMI connections whenever possible for the best picture quality.

- Please check the shape of the plugs to avoid inserting them upside down.
- The appearance of your TV may differ from the images below, depending on the model.

Step 3 Insert the batteries into the remote control

Step 4 Power on and start the initial setup

Information required:

- Wi-Fi network password (if you use one)
- Zip code
- Cable or satellite provider info

Plug in the TV. Press the power button on the remote to turn on the TV and start the initial set-up.

The TV must be connected to the Internet to use the Smart Features. If you have a wireless network, confirm that your network router is working before you start the initial setup. If you have a wired network, connect the TV to the network with a CAT 7 cable before you begin.

Troubleshooting

The stand is wobbly or crooked

Make sure the arrows on the stand are properly aligned.

The TV won't turn on

Make sure all cables are fully inserted, and that the remote has batteries installed.

I have extra parts

The TV includes some optional parts to help with wall mounting and cable routing.

If you experience issues, please do not take the TV back to the store.

In the United States of America, call us at 1-800-SAMSUNG (1-800-726-7864) or visit us at www. samsung.com or www.samsung.com/spsn for support and warranty service.
