

## TCL73XNAADA

32.5" x 23.5" x 24.25" (H x W x D)

24" wide ADA compliant 220V condensing dryer built by Ariston

### Highlights:

32 1/2" height fits in ADA compliant settings

16 dry cycles give you plenty of options for proper fabric care

Designed and manufactured in Europe by Ariston

24" width fits easily in apartments and other small homes

ADA compliant	32 1/2" height allows unit to be used in ADA compliant settings
Slim undercounter dimensions	Just under 24" wide for an easy fit
Front-loading design	Ideal for easier loading
16 dry programs	Extra, light, and iron dry settings for cottons and permanent press; 5 cycles for timed drying; additional settings for delicates, wool, air fluff, easy iron, and cool tumble
Stainless steel drum	Durable interior holds up load after load
Start/pause function	Lets you pause the dry cycle to add or remove fabric
Reversible door	User reversible door swing for added placement flexibility
Indicator lights	Indicator lights make it easy to know when to clean the filter or condenser
Delay start option	Allows you to pre-set your laundry for the ideal finish time
Reverse tumble mechanism	Wrinkle reducing action for better results
