

Beverage Center ~ DBC047D1BSSPR

Features

- 4.7 cu. ft. (132L) capacity French door beverage center
- Designed for fully integrated flush built-in application
- Newly designed wine shelves float on silicon buffers which absorb vibration while minimizing disturbance to the wine and durable ball bearing shelf glides allow for full extension of wine shelves providing easy access
- Zero clearance hinge allows for cabinet depth integration without the door interfering with surrounding cabinets
- The beverage compartment includes 3 adjustable tempered glass shelves and can hold up to 61 beverage cans. The wine compartment includes 5 full extension shelves and can store up to 21 bottles of wine
- Each compartment is independently controlled by a programmable thermostat. The beverage compartment can be set between 2°C-18°C (36°F-64°F) keeping beverages ice cold. The wine compartment can be set between 4°C-18°C (39°F-64°F), perfect for wine storage.
- New contemporary handle is sleek and discrete and blends with most décor
- Audible Alarm alerts you if the door is left ajar or if the interior temperature fluctuates excessively
