

# SAVONA wall

Savona's semi-circular surfaces accentuate this range hood's European design with delicate reflections of light and shadows. Underneath the 11" tall body, Savona features a robust 685-CFM fan that operates at an ultra quiet 1 sone on normal working speed. ICON Touch™ controls with 5 speeds and our exclusive ACT™ technology make this hood a standout choice. Also available in powder-coated black and white.
