Freestanding Electric Double Oven available in Black Stainless Steel

## GET YOUR INDOOR GRILL ON.

Grill all year long with the infrared grilling system from LG. LG's infrared Grill has an infrared-heating element that gets your oven to reach broil temperature more quickly and cuts over 20% of your cooking time on common foods, like hamburgers and chicken breasts. And since this is the same technology as premium outdoor grills, your food will come out just as juicy. Also, our LG double oven is equipped with easyClean™ interior that makes oven cleaning a breeze in just minutes.

### KEY FEATURES

#### EasyClean™ Technology

The next generation of oven cleaning, EasyClean™, provides a quick and easy way to clean your oven while still being able to use the conventional self-clean method. Just spray water, and after 20 quick minutes, simply wipe away the mess.

#### Large Capacity

Cook two meals at once – allows you to cook different dishes at different temperatures all at the same time. Gives you room for everything you'd need for a holiday dinner.

#### Infrared Grill™ System

LG introduced the industry's first infrared heating element. The infrared grill gets your oven to a broil temperature without the need to preheat and cuts over 20% of your total cooking time. Infrared cooking uses the same technology as premium outdoor grills.
